Need funding for telepharmacy? There has never been a better time to get federal funding. Ask ASHP how you can learn more. #midyear2009

06-Dec-09 18:53 | pillguy

RT: @pillguy Interesting point: your luggage was safer on the plane to Vegas than you would be for a med error in a hospital. #midyear2009

06-Dec-09 18:51 | MaryAndrawis

Med management is often controlled by nursing in the rural setting. This = little awareness in safe med use standards like ISMP #midyear2009

06-Dec-09 18:38 | pillguy

Rural Hospitals: Electronic RPh order entry and review by day, paper orders with no review by night. Dual systems are dangerous #midyear2009

06-Dec-09 18:35 | pillguy

Whoa!! The new practitioners programming (Great X) is awesome...and PACKED!! Venetian ballrooms A-D #midyear2009
