#BCECOP Etienne Wenger; We need Technology Stewards & Social Artists to enable fully effective use of web 2.0 in Communities of Practice

12-May-10 15:25 | fredgarnett

#BCECOP Etienne Wenger Passion is one thing time is another...

12-May-10 15:23 | fredgarnett

A key point from #bcecop table discussions: managing and filtering the flow of information requires a strong sense of your own identity.

Wishing I'd brought my phone charger to #bcecop :-(slipping into I will make this battery last till I get home mode :-)

12-May-10 14:41 | wmjohn

Busy lurking at #bcecop so much to think about. Think I can see a few wanna be social artists

12-May-10 14:28 | wmjohn

Love the idea of the social artist by wenger #bcecop

12-May-10 14:25 | k_a_b_a

@paulowe doing a fantastic job without slides. Not sure about the desktop or as Paul noted, his dirty washing #bcecop. Now back in the game

12-May-10 11:18 | andystew

KT2.0 about assembling the right network, says @brianmccaul. But, in Wenger's terms, who are the social artists or digital stewards? #bcecop

12-May-10 10:53 | whaa

#BCECOP curses... where's a mains socket where you need one... low battery!

12-May-10 10:45 | alsibley

#BCECOP we need to address the ethical implications of sharing/learning and ask ourselves... do we want this to form a part of our identity?

12-May-10 10:43 | alsibley

Wenger: acts of learning citizenship: participating, brokering, convening, moving on #bcecop

12-May-10 10:38 | k_a_b_a

Life is about maximising and balancing both achievement and pleasure. That's what I've got from this week's Wengerfest :-) #bcecop

12-May-10 10:38 | lj_arts

Wenger: we have to move from curriculum oriented edu to identity oriented education #bcecop

I've finally got it Sussed. A nerd learns through transmissive means. A geek flourishes in a community of practice. #bcecop

12-May-10 09:55 | stesaf

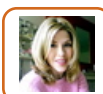

How can we use our identity - who we are - to reconfigure the social landscape? #bcecop

12-May-10 09:55 | lj_arts

Wenger: now seeing tech not as a replacement or a model for brain consciousness, but as part of how we learn and construct knowledge #bcecop

12-May-10 09:54 | lj_arts

Wenger: a technology steward has a foot in both camps: a bit of a nerd but also a bit of a social beast #bcecop
