Backchannel from GeoData 2010 London

Backchannel was quite gentle for this event, perhaps that indicates a fairly traditional audience. Any way some humorous twittering here

At #GeoData2010.interesting opening talk on geospatial standards & data. The future is bright & open. #opendata

20-May-10 09:10 | hendrikg

Lots of old friends here at #geodata2010 good to be back in the game and talking about @ge0me maybe fabregas needs a map?

20-May-10 09:10 | StevenFeldman

Hello to our 130th follower: @HendrikG. Hope you are enjoying #geodata2010!

20-May-10 09:41 | HodderGeography

RT @HodderGeography: #geodata2010 is at Emirates Stadium. What's football got to do with geography? Quite a lot! See chp 5 This is Geography 2 <http://ht.ly/1Nw8R>

20-May-10 09:43 | StevenFeldman

@mpdaly Can you please affix your tweets with #geodata2010 so I've something to smile about while I kill geo-puppies back in the office.

@StevenFeldman He knows his audience. This is not WhereCampEU. <insert other excuse> #geodata2010

20-May-10 11:08 | mpdaly

Gosh yet another mention of open and free at #geodata2010 My talk is so trashed and so cannibalised might as well scrap the whole thing

20-May-10 11:17 | StevenFeldman

Sacre blue! StreetView image of Stamford Bridge on screen at the Emirates. Expect @StevenFeldman to hit back. #geodata2010

20-May-10 11:21 | mpdaly

@mpdaly if I see another streetview, OSM, google, bing crashup combined with a picture of an iPhone I will scream! #geodata2010

20-May-10 11:24 | StevenFeldman

#geodata2010 the obsession with referencing GYM, OSM etc might suggest that paleo is blinded & reeling in the headlights of the neostorm

20-May-10 11:25 | StevenFeldman

#geodata2010 "so what does this all mean?" if you don't know and you are presenting

@emapsiteJames yup and since the googles, frees and opens have been "embraced" by #geodata2010 I guess I will havt doom them out

20-May-10 13:01 | StevenFeldman

#geodata2010 @iapainter says Think Light! He must have been looking at @ge0me

20-May-10 13:03 | StevenFeldman

How did I know the asborometer would appear? #geodata2010

20-May-10 13:04 | cjmillsnun

Arrrrghhh @iapainter mentions asborometer at #geodata2010 IMHO not a great example of using #opendata

20-May-10 13:05 | StevenFeldman

@rollohome if you had heard the explanation you wld have understood my cry agst from pundits on free at least until I wow #geodata2010

@Chris_AGI Indeed and I think the audience at #geodata2010 were stunned by my georant posing as geo-opinion/foresight, not sure they liked.

20-May-10 16:08 | StevenFeldman

RT @Jenny_Watson quotes me: "I don't care what my friends are doing, and I don't want to see it on Stupid Map". Fabulous! #geodata2010 < thx

20-May-10 16:10 | StevenFeldman

@Jenny_Watson maybe I left a few too many hostages to fortune at #geodata2010

20-May-10 16:10 | StevenFeldman

@Thierry_G love the "moses tablet" reference. Surely geomoses? #geodata2010 #iPad

20-May-10 16:11 | StevenFeldman

@psfnick The event was #GeoData2010, looking at GIS in 'changing times'. Lots of talk of #opendata and #web20: <http://bit.ly/cSx118>
