Does innovation happen in schls or does it occur @ interface betwn schl & external & then taken onestep further in schl? #naaceTT

04-Jun-10 18:37 | TWMarkChambers

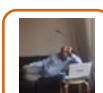

@TWMarkChambers @advisorymatters @mberry Thanks for everything you're doing. If you need an extra hand, just shout. #naacett

04-Jun-10 18:26 | billgibbon

RT @TWMarkChambers: Finding common ground between orgs/assocs committed to ICT in Ed was not so difficult:) #naaceTT

04-Jun-10 18:16 | advisorymatters

RT @TWMarkChambers: #naaceTT Big thanks Mark Chambers and Bernadette Brooks for setting up today and starting to plan the way 4ward for ICT?

04-Jun-10 17:56 | bobharrisonset

Finding common ground between orgs/assocs committed to ICT in Ed was not so difficult:) Now what were they... good job i took notes #naaceTT

04-Jun-10 17:53 | TWMarkChambers

Heading home fr #naaceTT, 2 justify event & its hit on budget thats member subs, must follow up! Paper, press release, lobbyin etc 2 folw:)

04-Jun-10 17:45 | TWMarkChambers

RT @simfin: Let's stick together #naaceTT <http://is.gd/czSZQ>

04-Jun-10 17:29 | lordlangley73

RT @simfin: Let's stick together #naaceTT <http://is.gd/czSZQ>

04-Jun-10 17:18 | dughall

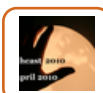

Is @simfin auditioning for Roxy Music? Check out here RT: Let's stick together #naaceTT <http://is.gd/czSZQ>

04-Jun-10 17:10 | ianinsheffield

@chickensaltash yes Chatham rules so no filming of event took place. @Naace to issue common ground statement as result of day #naacett

04-Jun-10 16:58 | advisorymatters

RT @simfin Let's stick together #naaceTT <http://is.gd/czSZQ>

04-Jun-10 16:07 | digitalmaverick

Was there live streaming from #naacett I thought it was Chattham house rules?

04-Jun-10 16:04 | chickensaltash

RT @simfin: Let's stick together #naaceTT <http://is.gd/czSZQ> Good post - definitely think there is potential for us all to stick together!

04-Jun-10 16:04 | chickensaltash

catching up with the #naacett stream. Also welcome to new followers who landed from there.

04-Jun-10 16:00 | theokk

RT @NeilAdam Government to publish ICT contracts online from July <http://bit.ly/ba0joj> [note use of "ICT" #naacett ] #yam

04-Jun-10 12:56 | Dannno

RT @NeilAdam: Government to publish ICT contracts online from July <http://bit.ly/ba0joj> [note use of "ICT" #naacett ]

04-Jun-10 12:35 | FeargalHogan

RT @DavidPott: Top-slicing is a big issue. If LAs want to continue, schools won't stand for it. Buy services back or nothing #naacett

04-Jun-10 12:33 | icregister

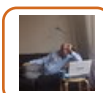

RT @John\_Howarth @DavidPott I agree with David: Top-slicing of funds has no place in modern LA. I don't even like the term "LA". #naacett

04-Jun-10 12:32 | icregister

RT @NeilAdam: Government to publish ICT contracts online from July <http://bit.ly/ba0joj> [note use of "ICT" #naacett ]

04-Jun-10 12:29 | icregister

RT @NeilAdam: Government to publish ICT contracts online from July <http://bit.ly/ba0joj> [note use of "ICT" #naacett ] No mention of BSF yet?

04-Jun-10 12:18 | bobharrisonset

Government to publish ICT contracts online from July <http://bit.ly/ba0joj> [note use of "ICT" #naacett ]

04-Jun-10 12:12 | NeilAdam

@NeilAdam Nice, if angry link; but I think we identify new Literacies when the technology changes, reading, writing, TV, new media #naacett

04-Jun-10 11:53 | fredgarnett

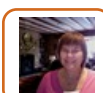

@fredgarnett I think @dajbelshaw has an interesting response to that <http://bit.ly/aZXjgV> #naacett

04-Jun-10 11:49 | NeilAdam

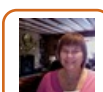

@NeilAdam I think they are meaningful stats as a ref point. In a world of Digital xyz then we need Digital Literacies; #naacett

04-Jun-10 11:47 | fredgarnett

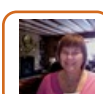

@DavidPott Yes - but once teams are split up - as we will be soon, that collective expertise, loan kits, projects etc gone forever #naacett

04-Jun-10 11:32 | carolrainbow

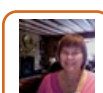

@grumbledook I don;t see that any can do it for free - we are a Traded service and top slice for Learning Platform for limited time #naaceTT

04-Jun-10 11:29 | carolrainbow

@FeargalHogan That is not good - at least we do do curriculum ICT support and training & Learning Platform support #ict #microsoft #naacett

04-Jun-10 11:28 | carolrainbow

@didactylos We know that our LA team has a shelf life - just not sure how long, 15 months at most it seems - maybe a lot less #naacett

04-Jun-10 11:26 | carolrainbow

@DavidPott @grumbledook I agree with David: Top-slicing of funds has no place in the modern LA. I don't even like the term "LA". #naacett

04-Jun-10 11:25 | John\_Howarth

@FeargalHogan @grumbledook @Alexandragibson Who was it who said that "technology is something that isn't working yet" #naacett

04-Jun-10 11:12 | fredgarnett

@grumbledook Top-slicing is a big issue. If LAs want to continue, schools won't stand for it. Buy services back or nothing #naacett

04-Jun-10 11:02 | DavidPott

@DavidPott some LAs will only take up the gap if there is money in it. #naacett

04-Jun-10 11:02 | grumbledook

@FeargalHogan @grumbledook @Alexandragibson @didactylos i'd not change terminology now just as ICT being widely used by EU/UN etc #naacett

04-Jun-10 11:02 | NeilAdam

@DavidPott we have completely slimmed down. Advisory service now do 'traded services' and money goes to schools. We sit separately #naacett

04-Jun-10 11:01 | grumbledook

@grumbledook @feargalhogan Many LAs slimmed down and assumed BECTA would take the strain. #bigmistake #naacett

04-Jun-10 11:00 | DavidPott

@grumbledook @Alexandragibson @didactylos #ict\_rip #technology\_lives #naacett

04-Jun-10 10:59 | FeargalHogan

@FeargalHogan there is a difference between advice / strategy and hands-on support. Our team will do former, not latter. #naacett

04-Jun-10 10:58 | grumbledook

@DavidPott not all LAs do provide it, and not all who do actually do it free. Funding is sometimes from top-sliced monies. #naacett

04-Jun-10 10:57 | grumbledook

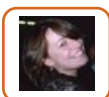

@Alexandragibson given that most kids come thru schools... Is "tech" known more broadly only by people who work in tech #naacett

04-Jun-10 10:56 | NeilAdam

@DavidPott LAs were the #ict experts 12-15 years ago. Now ours just pushes #microsoft training and software. No expertise remains #naacett

04-Jun-10 10:56 | FeargalHogan

#naacett we must use language that is understood by a wider audience and technology is a word that is

04-Jun-10 10:54 | Alexandragibson

LAs provide advice for procurement, MIS, curriculum, maintenance, technology, data protection...much of it 'free' to schools. #naacett

04-Jun-10 10:54 | DavidPott

@didactylos #naacett i think the language we use should reflect the nature of an outward looking org not just one that talks to schools

04-Jun-10 10:53 | Alexandragibson

@DavidPott #naacett I sometimes wonder with more cuts on the way and the academy drive if LAs have a shelf life too?

04-Jun-10 10:53 | didactylos

@didactylos #naacett yes I see what you mean but isn't technology more pervasive and broader in its meaning?

04-Jun-10 10:43 | Alexandragibson

@Alexandragibson @grumbledook technology to me still has echoes of hammering, sawing and cooking... #naacett

04-Jun-10 10:36 | didactylos

Follow discussion about 'after Becta' by using #naacett (via @fredgarnett)

04-Jun-10 10:35 | simfin

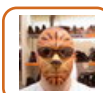

@grumbledook #naacett yes as the word technology is more transparent and am worried about focus on word 'computer' by new gov leader on R4

04-Jun-10 10:31 | Alexandragibson

RT @Alexandragibson: question: How do we form a professional and effective lobby group to educate and influence policy in the area of ICT in education? #naacett

04-Jun-10 10:29 | fredgarnett

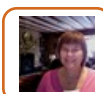

@Alexandragibson sshould we also stop saying ICT and say technology, or is there still a focus on the subject too? #naacett

04-Jun-10 10:28 | grumbledook

@alexcj IPR discussions are taking place from what I understand, but linked to close down of Becta. More info to come. #naacett

04-Jun-10 10:25 | grumbledook

@didactylos True - and if people like our LA teams & consultants are not there to help it will be harder in the future #naacett

04-Jun-10 10:22 | carolrainbow

@carolrainbow for many it's the 'we have not got the time to learn new ways of doing things that would actually save us time...' #naacett

04-Jun-10 10:21 | didactylos

@alexcj All materials are public and are on the National Archive website. <http://bit.ly/aT3vii> for copyright info #naacett

04-Jun-10 10:20 | grumbledook

question: How do we form a professional and effective lobby group to educate and influence policy in the area of ICT in education? #naacett

04-Jun-10 10:20 | Alexandragibson

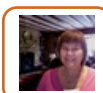

RT @Danno Big and broad question to begin with 'what are the core principles of the place of ICT in education?' #naacett

04-Jun-10 10:20 | mberry

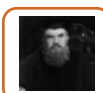

RT @Alexandragibson: #naacett other funding sources available for research so don't see the need for NAACE to do this but could provide a locus for sharing this

04-Jun-10 10:18 | theokk

@didactylos True- schools that had the LP earlier are further along - all use with children lots though not many for management yet #naacett

04-Jun-10 10:17 | carolrainbow

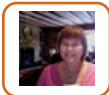

Big question of who now owns Becta IPR over all of their work? Exploitation of this should continue #naacett

04-Jun-10 10:17 | alexcj

@Dannno Beyond Pedagogy and Curriculum? Look at Luckin's Ecology of Resources model <http://bit.ly/dflpB3> (pdf) #naacett

04-Jun-10 10:03 | fredgarnett

@NeilAdam Going backwards or moving forwards depends largely on Ofsted focus sadly #naacett

04-Jun-10 09:56 | carolrainbow

#naacett - leaving the twittersphere for the real world now - but a good and productive day to all of those at Naace Think Tank today...

04-Jun-10 09:56 | tonyparkin

RT @mikeherry Will go backwards in next 5-10 years, possibly? Reality: BSF/Becta/QCDA/GTC better sacrifice than spending in c/room #naacett

04-Jun-10 09:55 | NeilAdam

@didactylos All ours have got wikis in the LP. ALL can add ideas, needs, requirements BUT - same funding (or lack of) = less choice #naacett

04-Jun-10 09:55 | carolrainbow

#naacett other funding sources available for research so don't see the need for NAACE to do this but could provide a locus for sharing this

04-Jun-10 09:54 | Alexandragibson

@didactylos #wiki Great idea. Would need tech/editorial skills within the workforce. Are they there #naacett

04-Jun-10 09:53 | FeargalHogan

@theokk - Theo, rather - is there a business model out there that would sustain sort of ICTRN activity? Sponsors low in cash too! #naacett

04-Jun-10 09:52 | tonyparkin

@Alexandragibson looks like I'll have to update my buzzword bingo cards for when attending events. Must remember not to shout house #naacett

04-Jun-10 09:52 | grumbledook

RT @didactylos: @grumbledook @carolrainbow #naacett good argument for wiki based planning - most schools - 'a wiki???'

04-Jun-10 09:51 | FeargalHogan

@grumbledook @carolrainbow #naacett good argument for wiki based planning - most schools - 'a wiki???'

04-Jun-10 09:50 | didactylos

#naacett looks like buzz phrases are: technical academies, new providers, parent power, pupil premium, discipline- anything else?

04-Jun-10 09:48 | Alexandragibson

RT @theokk: @tonyparkin in other words, would members sponsors be willing to fund a research strand? #naacett

04-Jun-10 09:43 | fredgarnett

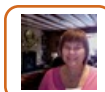

Follow discussion about "after Becta" by using Hash Tag #naacett

04-Jun-10 09:41 | fredgarnett

@tonyparkin in other words, would members sponsors be willing to fund a research strand? #naacett

04-Jun-10 09:41 | theokk

@NeilAdam Absolutely but in any school you may have lots of different ideas/ requests for hardware so stick with "safe" laptops etc #naacett

04-Jun-10 09:31 | carolrainbow

hoping we go beyond conversations of pedagogy to conversations about curriculum today at #naacett

04-Jun-10 09:29 | Dannno

RT @dughall: #naacett Existing investment and momentum re edtech must continue. Standing still would = moving backwards.

04-Jun-10 09:26 | tricias

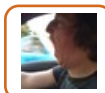

@markbezza Is that tied in with a 3-5 year school development plan though? #naacett

04-Jun-10 09:26 | grumbledook

@Naace #naacett - there may be need & inclination to focus on loss of ICT strategy - don't ignore the killer question 'Show me the money!'

04-Jun-10 09:26 | tonyparkin

@grumbledook @carolrainbow We have a 12 month plan which is reviewed/revised every 3 months. #naacett

04-Jun-10 09:24 | markbezza

@FeargalHogan good point. Not just governors, any stakeholders. #naacett

04-Jun-10 09:24 | dughall

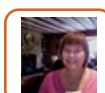

#naacett "transformation does not come (much) from the tools we use but from the decisions about what we want to use them for" (MA, ICTRN)

04-Jun-10 09:23 | NeilAdam

RT @grumbledook: @carolrainbow some schools make the mistake that a 3 yr plan has to be kept to rigidly. Improvise, adapt, overcome ... #naacett

04-Jun-10 09:23 | FeargalHogan

@FeargalHogan: governor expertise - hmmm - I am teaching many of our govs to use LP - can't guarantee gov expertise :-( #naacett

04-Jun-10 09:23 | carolrainbow

@NeilAdam #naacett All schools have the opportunity to appoint Community Governors for specialist expertise. Maybe thats their own #fail

04-Jun-10 09:23 | FeargalHogan

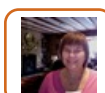

@carolrainbow some schools make the mistake that a 3 yr plan has to be kept to rigidly. Improvise, adapt, overcome ... #naacett

04-Jun-10 09:22 | grumbledook

@dughall #chickenandegg #naacett How do we create a tech-literate and creative workforce without tech-literate and creative teachers?

04-Jun-10 09:20 | FeargalHogan

@grumbledook Yes - it used to be better when schools had to present 3 yr plan to get NgFL funding - but we still encourage planning #naacett

04-Jun-10 09:20 | carolrainbow

@FeargalHogan very true, altho such expertise is also patchy #naacett #bectarip

04-Jun-10 09:18 | NeilAdam

RT @hashtager: # @dughall oh most definitely - few schools have that expertise sufficiently in-house #naacett [correct hashtag ;)]

04-Jun-10 09:16 | FeargalHogan

RT @dughall: RT @mberry @dughall without a technologically literate and creative workforce, how shall we pay off the rest of the debt? #naacett

04-Jun-10 09:16 | FeargalHogan

@dughall @NeilAdam Isn't that where governor expertise should/could help? #naacett #bectarip

04-Jun-10 09:15 | FeargalHogan

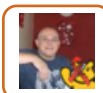

I am interested who picks up the Becta Research Strand (ICTRN) - is this/should this be a Naace role/opportunity? Members BoM? #naacett

04-Jun-10 09:14 | theokk

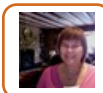

RT @tonyparkin: @NeilAdam Challenge identify & create cheaper alt offering credibility too - consistency confused with homogeneity? #naacett

04-Jun-10 09:13 | NeilAdam

RT @dughall: RT @mberry @dughall without a technologically literate and creative workforce, how shall we pay off the rest of the debt? #naacett

04-Jun-10 09:13 | muppetmasteruk

@harkis An even more fundamental problem - What is the primary ICT curriculum? ;- ) #naacett

04-Jun-10 09:12 | carolrainbow

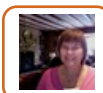

@carolrainbow is that because 3-yr plan too often about resources and not enough about outcomes and how to reach them? #naacett

04-Jun-10 09:12 | NeilAdam

RT @mberry @dughall without a technologically literate and creative workforce, how shall we pay off the rest of the debt? #naacett

04-Jun-10 09:10 | harkis

@grumbledook Part of the problem is schools make a 3 year plan but things change so quickly the plan or IT resources go out of date #naacett

04-Jun-10 09:10 | carolrainbow

@NeilAdam there's an even more fundamental area: how the whole curric responds to a more dynamic/digital world (including tech use) #naacett

04-Jun-10 09:09 | Dannno

@NeilAdam think Naace's primary function should be at a strategic and systems level, get that right and rest will follow #naacett

04-Jun-10 09:09 | theokk

# @dughall oh most definitely - few schools have that expertise sufficiently in-house #naacett [correct hashtag ;)]

04-Jun-10 09:09 | hashtager

@dughall oh most definitely - few schools have that expertise sufficiently in-house #naacett [correct hashtag ;)]

04-Jun-10 09:08 | NeilAdam

#naacett ; c) ICT for admin (in wide sense); d) infrastructure/access/tech support. Which of these is today's think tank about?

04-Jun-10 09:05 | NeilAdam

RT @mberry: #naacett in post bureaucratic age of Big Society, voluntary organisations & informal networks are locus of challenge & support

04-Jun-10 08:58 | tonyparkin

Will try to attend virtually from home #naacett

04-Jun-10 08:58 | didactylos

@grumbledook altho possible, I think it would more likely be stagnation with focus on admin etc rather than inspiring c/room ICT #naacett

04-Jun-10 08:58 | NeilAdam

@NeilAdam but innovation is not for everyone, nothing wrong with viewing it as a utility. Perhaps it will be better managed then. #naacett

04-Jun-10 08:58 | grumbledook

@DavidPott fear you may be right :( #naacett

04-Jun-10 08:57 | NeilAdam

RT @mberry @dughall without a technologically literate and creative workforce, how shall we pay off the rest of the debt? #naacett

04-Jun-10 08:57 | dughall

@NeilAdam 'savings' could also be stimulus for change which allows innovation. #naacett

04-Jun-10 08:57 | grumbledook

@NeilAdam I fear we have to accept 2-3 yrs of ICT as 'utility' rather than vision. Not happy about that though...but inevitable? #naacett

04-Jun-10 08:56 | DavidPott

RT @advisorymatters: Hash tag for the @Naace Think Tank 2day is #NaaceTT

04-Jun-10 08:56 | stevebunce

RT @dughall: It could be argued that the need for cuts/economies is a reason for \*greater\* investment in technology in education. #naacett

04-Jun-10 08:56 | Baggiepr

RT @NeilAdam @dughall danger then that justification of "savings" drives us further along utilitarian rather than visionary path #naacett

04-Jun-10 08:55 | dughall

RT @advisorymatters: Hash tag for the @Naace Think Tank 2day is #NaaceTT (what happened to Chatham House Rules?Another BA in the making :)?

04-Jun-10 08:54 | ictregister

@dughall danger then that justification of "savings" drives us further along utilitarian rather than visionary path #naacett

04-Jun-10 08:51 | NeilAdam

It could be argued that the need for cuts/economies is a reason for \*greater\* investment in technology in education. #naacett

04-Jun-10 08:50 | dughall

Does anyone know what time the Naace Think Tank is on today and who I'd need to contact to attend? #naacett

04-Jun-10 08:50 | ChrisPadden

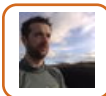

#naacett Existing investment and momentum re edtech must continue. Standing still would = moving backwards.

04-Jun-10 08:32 | dughall

@dan\_bowen yes, I may have been wrong (again!), seems @Dughall is tweeting using #naacett

04-Jun-10 08:31 | deerwood

heading to #NaaceTT - who else is going? @bobharrisonset?

04-Jun-10 08:28 | Dannno

#naacett We must be international leaders in providing education rich in technology.

04-Jun-10 08:28 | dughall

RT @Naace: @dan\_Bowen hash tagg for the event is #NaaceTT

04-Jun-10 08:19 | stevebunce

@dan\_Bowen hash tagg for the event is #NaaceTT

04-Jun-10 08:11 | Naace
