## Event Participants

The #RSAScruton lecture is finished. Thanks to @theRSA for livestreaming, and @RSAMatthew for moderating. Goodnight from us @UnivofOxford.

18-Jan-12 18:57 | matthewcarlos

Scruton: The responsibility on the individual must be united w/ an integrity of the local community & collective intelligence. #RSAScruton

18-Jan-12 18:55 | matthewcarlos

Scruton: individuals must personally feel the direct cost of their actions, not current distributed/ socialised responsibility #RSAScruton

18-Jan-12 18:52 | matthewcarlos

Scruton raises basic fact: over-population causes significant environmental damage. Me: remove public subsidies for procreation. #RSAScruton

18-Jan-12 18:49 | matthewcarlos

Scruton misses a point against a questioner's poor thinking: those who hunt species to extinction do not feel bad about it. #RSAScruton

18-Jan-12 18:44 | matthewcarlos

Scruton: Essential to understand & abide by a contract of Love + civil accord. Essential to develop this as personal disposition #RSAScruton

18-Jan-12 18:36 | matthewcarlos

RT @theRSAorg: RT @rsaevents: Listen live at 6pm: Roger Scruton and @RSAMatthew talk green philosophy <http://t.co/9tXzOa11> #RSAScruton

18-Jan-12 18:35 | vivslf

@RSAMatthew raises: #Liberal localism activists disagree w/ Scruton who counters: like his father they act right and think wrong #RSAScruton

18-Jan-12 18:33 | matthewcarlos

Scruton counters (selfishness of) #Modernity w/ emphasis Badiou, #Zizek, etc raise: #Love is essential for improvement. #RSAScruton

18-Jan-12 18:30 | matthewcarlos

@RSAMatthew raises points from several reviews of Scrutons work: the nature of Modernity facilitate these wicked problem. #RSAScruton

18-Jan-12 18:29 | matthewcarlos

@RSAMatthew raises the danger of solely 'bottom up' approaches. Scruton: must activate proper motives of individuals. #RSAScruton

18-Jan-12 18:27 | matthewcarlos

Scruton: The approach to 'wicked' problems w/o policy solutions is to take personal responsibility & take action 'at home' #RSAScruton

18-Jan-12 18:25 | matthewcarlos

me: this is the case with all #Law / #regulation that attempts to grasp non-normal situations (especially #Ethical issues) #RSAScruton

18-Jan-12 18:17 | matthewcarlos

Such complex problems as the #Environment cannot be understood or managed through a plan/policy (the preference of socialists) #RSAScruton

18-Jan-12 18:15 | matthewcarlos

@RSAMatthew mentions several @theRSA Fellows are already arrayed against #RSAScruton. Rabid sectarianism @ a Royal Society is disappointing.

18-Jan-12 18:12 | matthewcarlos
