RT @spitzenprodukte: The Coming Insurrection/Tiqqun must be seen in context of tail end of alter/anti-globalisation movement #RSAMason

09-Feb-12 14:56 | n_srck

An excellent talk by @paulmasonnews at #RSAMason - he highlight what was missing from #RSAjobs and why the great and good don't get it!

09-Feb-12 14:54 | patrickhadfield

Last thought: "We are blanquists with no desire to be Blanquists. Stop staring at me like that." #RSAMason

09-Feb-12 14:52 | watsoalex

yes threat of fascist/national solution to #GFC all too real- perhaps you shouldn't be asking US why we're not organising like YOU #RSAMason

09-Feb-12 14:52 | spitzenprodukte

@paulmasonnews A: lots activists also artists/work in cafes. Green investment might lead to more productive use of this generation #RSAMason

09-Feb-12 14:52 | watsoalex

Put my Q: @paulmasonnews during #RSAMason Are there many e.g.'s of socially/economically productive activism? @UKuncut libraries but bigger

09-Feb-12 14:51 | watsoalex

And constant, nagging presumptuousness that "The Workers Movement" (capitalised) has ultimate moral and political authority #RSAMason

09-Feb-12 14:50 | spitzenprodukte

"Nice that kids are doing stuff, but why aren't they defending NHS? Where is their *cause*" - Have you missed the Information War? #RSAMason

09-Feb-12 14:49 | spitzenprodukte

Also idea that a horizontal network has no heirarchy seems, to me, preposterous- there's informal heirarchy AND network bias #RSAMason

09-Feb-12 14:47 | spitzenprodukte

seems like saying "It's nice that class is acting in own interests, but it's not credible till *I* recognise its demands" #RSAMason

09-Feb-12 14:46 | spitzenprodukte

E.G that network must at some point formalise in order to have political effect: intuitive, but follows dogmatic image of thought #RSAMason

09-Feb-12 14:44 | spitzenprodukte

Really interesting Q&A's with @paulmasonnews at #RSAMason, but the same nagging issues that keep coming up

09-Feb-12 14:42 | spitzenprodukte

@paulmasonnews If globalisation can't deliver prosperity we will return to an emphasis on nation states similar to the 1930s #RSAMason

09-Feb-12 13:54 | LukeRobboUK

RT @EcoLabs: Globalisation has been designed around the desires of a global elite #RSAMason - Can we imagine another source of dynamism?

Change in model of capitalism and technology leads to political change: 1910s radicals had experienced cinema, mass holidays, etc. #RSAMason

09-Feb-12 13:45 | Nico_Macdonald

@paulmasonnews knows of people who used to work for the Liberal Democrats who now work for anarchist black bloc #RSAMason

09-Feb-12 13:44 | LukeRobboUK

"More than ever, people are better positioned to create reality rather than study the one created by political leaders" #RSAMason #comms

09-Feb-12 13:43 | futerra

Sera? RT @EcoLabs: RT @carolineholding: Facebook today is bigger than the internet was in 2004 #rsamason nearly 1bill users

09-Feb-12 13:37 | GabaKC

Paul Mason: Social media is not the _cause_ of kicking off - also broadband Internet, Web 2.0: the easy commodification of tech. #RSAMason

09-Feb-12 13:34 | Nico_Macdonald

@PaulMasonNews "Social media has reconfigured the relationship between citizens and governments" #RSAMason #SM

09-Feb-12 13:33 | futerra

#RSAMason I'm not arguing these revolutions are caused by technology ... But it has given tools to those not in power

09-Feb-12 13:33 | watsoalex

@paulmasonnews I'm not trying to get around the specifics of Tahrir, Occupy, but it's the unemployed graduate that unites them all #RSAMason

09-Feb-12 13:31 | watsoalex

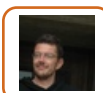

John Harris: Are we in a pause? Or will things kick off again in the summer? #RSAMason @RSAAEvents

09-Feb-12 13:31 | LukeRobboUK

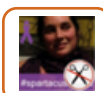

@paulmasonnews UK rioters behaved in a way British cops had never seen before due to mobile phones and use of social media #RSAMason

09-Feb-12 13:27 | LukeRobboUK

British summer riots "largely negative, small amount of protest a lot of criminality" #RSAMason

09-Feb-12 13:26 | GuidoTallman

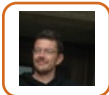

Getting the urge to do *jazz hands* #rsamason

09-Feb-12 13:25 | carolineholding

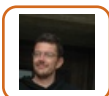

Facebook today is bigger than the entire internet in 2004. Cripes. #RSAMason

09-Feb-12 13:20 | hannahturnbull

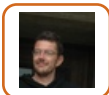

A universal situation with national specifics is here. Occupy activists don't have the problem of the Imams #RSAMason

09-Feb-12 13:18 | GuidoTallman

Indignados in Spain and Greece the 'same sort of people' as those young men and women in cafes around Tahrir Sq #RSAMason

09-Feb-12 13:15 | GuidoTallman

Old version of capitalism of lives getting better & wealthier is ending, resulting rethink of values lead to it kicking of #RSAMason

09-Feb-12 13:13 | GuidoTallman

@paulmasonnews Many young people will be poorer than their parents and this is bringing about a rethink of values. #RSAMason @RSAEvents

09-Feb-12 13:13 | LukeRobboUK

Comparing shakespeare's richard 3rd with arab spring -interesting #rsamason

09-Feb-12 13:10 | carolineholding

'Why it's kicking off everywhere' debate at the RSA. Starting with comparison of Richard III + Arab Spring. #RSAMason
