Event Participants

@joedawson yeah, we weren't expecting poems to crop up on it (expndr is my project)! Wow, Feedly might make me move to FF, thanks for link!

07-Jul-09 09:34 | stevefarnworth

@joedawson you should move your stream to <http://expndr.com> ;D

07-Jul-09 07:27 | stevefarnworth

@AlexDenning you'd think so, but it's the CMS I'm coding for our other property: <http://expndr.com> so it has to be custom! It's also fun-ish

Right, if you have any suggestions for <http://randomlyaccessed.com> or <http://expndr.com> @ me, but moving out has tired me, so off to bed!

03-Jul-09 21:18 | stevefarnworth

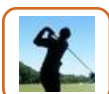

Anyone fancy posting a message to <http://expndr.com>? Please :)

Everyone visit <http://expndr.com> and @stevefarnworth will be very happy.

01-Jul-09 21:05 | AlexDenning

Last shoutout before signing off for <http://expndr.com> and <http://randomlyaccessed.com> :)

01-Jul-09 21:02 | stevefarnworth

A few people are starting to use <http://expndr.com> now, give it a go?

01-Jul-09 20:39 | stevefarnworth

Currently transferring the <http://expndr.com> development files onto new laptop. Very impressed with @DellUK so far!

01-Jul-09 12:34 | stevefarnworth

M3, M25 and back...done already. Might even be too tired to plug <http://expndr.com> and <http://randomlyaccessed.com>...oh, wait.

Another little request; can you please add a message to <http://expndr.com> today? Would be very helpful if poss.!

30-Jun-09 06:37 | stevefarnworth

Can people post a message on <http://expndr.com> if possible today? Just want to check a few system bits. Thanks.
