Event Participants

@AntArch 1) no more labels 2) move from xy to place 3) stop talking abt geo and just get out there and do geo #GeoCom

24-Sep-09 21:31 | StevenFeldman

#geocom Thanks to all of you for your kind words and great feedback. Signing off for a bit now - no tweets but maybe a Lagavulin. Night all

24-Sep-09 21:08 | GeoCommunity

#geocom Thanks to all of you for your kind words and great feedback. Signing off for a bit now - no tweets but maybe a Lagavulin. Night all

24-Sep-09 21:08 | StevenFeldman

#geocom Soaking up your applause at the end felt wonderful and saying goodbye to GeoCommunity (as chair) felt sad - like my kid's growing up

24-Sep-09 21:08 | GeoCommunity

#geocom Soaking up your applause at the end felt wonderful and saying goodbye to GeoCommunity (as chair) felt sad - like my kid's growing up

24-Sep-09 21:08 | StevenFeldman

#geocom

24-Sep-09 21:01 | StevenFeldman

#geocom

24-Sep-09 21:01 | GeoCommunity

RT @kennethfield: Grammer School from Leeds students give masterclass in articulate, informative presentation #geocom. Many could learn.

24-Sep-09 21:01 | GeoCommunity

Home from #geocom and reacquainting myself with my family, my sofa and my remote; in that order.

24-Sep-09 20:57 | vicchi

RT @kennethfield: Grammer School from Leeds students give masterclass in articulate, informative presentation #geocom. Many could learn.

24-Sep-09 20:56 | StevenFeldman

A final few #geocom photos from @jeremy_morley : <http://bit.ly/swvuG>

24-Sep-09 20:52 | GeoCommunity

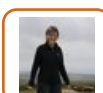

Neo paleo Twitter derived data #geocom. Wife not impressed! Chilling with bit of Katie price!!

24-Sep-09 20:21 | Aluncj

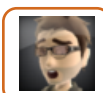

back from #geocom, mercifully few bullet points and most of the demos mostly worked - fantastic

24-Sep-09 19:55 | antscott

still on train back from #geocom but what a lot to think about. lets ditch neo/paleo and just DO geography!

24-Sep-09 19:51 | Lizzy_Fox

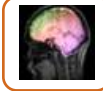

is back from #geocom, going to bed now...

24-Sep-09 19:50 | ON3Z3RO

@stevenfeldman Congratulations on a wonderful final #geocom conference

24-Sep-09 18:29 | osbornec

#geocom A46 and M69 reasonably quiet. Leicestec services for coffee.

24-Sep-09 17:04 | jeremy_morley

oxford services the place for geocoffee. Just saw @vicchi here with a cup... #geocom

24-Sep-09 16:50 | andrewl

chuffed to have been runner up for best #geocom paper, just need to work on the presentation more next time

24-Sep-09 16:49 | earthware

RT @kennethfield: GIS in Education takes centre stage #geocom. It always has been vital but it needs 2b promoted

24-Sep-09 16:46 | giseducation

RT @pmbatty: @iapainter gets very well deserved prize for his outstanding georant yesterday #geocom

24-Sep-09 16:44 | andrewl

#geocom ok, its over but was geodoughnut on the list? Enjoying one at Cherwell services

24-Sep-09 16:04 | kennethfield

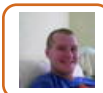

Thanks for a great #geocom. I missed the closing.... @StevenFeldman what were your 3 key messages?

24-Sep-09 16:03 | AntArch

RT @pmbatty: "All your maps are belong to us" - @edparsons on Ordnance Survey derived data rights #geocom

24-Sep-09 16:03 | ebwolf

Driving back from #geocom my hire car got hit by a least 15 different bird droppings - does that make the car very lucky or very dirty?

24-Sep-09 15:55 | stevecampbelluk

#geocom All done. Just the wind down anticlimax now! Thanks to @stevfeldman.

24-Sep-09 15:40 | jeremy_morley

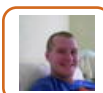

RT @pmbatty "All your maps are belong to us" - @edparsons on Ordnance Survey derived data rights #geocom

24-Sep-09 15:40 | bentuttle1

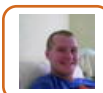

#geocom skilled geographers (of all types) help people realise the value of place in exciting ways - finally geography IS COOL

24-Sep-09 15:36 | andnewmanWORK

Thanks to Steve and the AGI team for a great #geocom

24-Sep-09 15:36 | stevecampbelluk

#geocom thans

24-Sep-09 15:35 | stevecampbelluk

Heavy traffic in L Spa. #geocom

24-Sep-09 15:14 | mpdaly

#geocom over. Thanks for great conf Steven & AGI team. Thanks for letting Kingston Centre for GIS get involved. Looking forward 2 #geocom10

24-Sep-09 15:12 | kennethfield

@StevenFeldman closes this year's GeoCommunity; thanks for an amazing conference at #geocom

24-Sep-09 15:11 | vicchi

#geocom No trains running from Stratford to London, need to get train from Warrick Parkway or Lymington Spar

24-Sep-09 15:11 | julianchick

TFL ladies kept at it and won the prize. Well done! #geocom

24-Sep-09 15:06 | LondonYank

@iapainter gets very well deserved prize for his outstanding georant yesterday #geocom

24-Sep-09 15:05 | pmbatty

"GeoCommunity 2010 will be the age of Post Neogeography" #geocom

24-Sep-09 14:59 | vicchi

Previous comments too harsh, the kids were wonderful but don't agree with pushing proprietary software at schools #geocom

24-Sep-09 14:56 | osbornec

:-) RT @osbornec: OpenStreetMap school outreach program is born. The kids want to be neo really. #geocom

24-Sep-09 14:56 | kcorrick

GIS in Education takes centre stage #geocom. It always has been vital but it needs 2b promoted & supported by geocommunity 2 build capacity

24-Sep-09 14:54 | kennethfield

OpenStreetMap school outreach program is born. The kids want to be neo really. #geocom

24-Sep-09 14:53 | osbornec

Did he just say that? #geocom

24-Sep-09 14:49 | andrewl

Terrific GIS analysis & 3d mapping from 15yr old pupils at leeds. These pupils put others 2 shame with quality of their work. #geocom

24-Sep-09 14:47 | kennethfield

Showing my Inner London Education Authority schooling with "Grammer" instead of "Grammar". Oops. #geocom

24-Sep-09 14:47 | vicchi

Thanks for a great #geocom. If you haven't checked out our new DeveloperHub make sure you do <http://bit.ly/17rLYt> #arcgis #gis #esri

24-Sep-09 14:46 | esriuk

Grammer School from Leeds students give masterclass in articulate, informative presentation #geocom. Many could learn

24-Sep-09 14:39 | kennethfield

@rollohome ESRI crack babies #geocom

24-Sep-09 14:37 | osbornec

Now watching the closing plenary at #geocom; these geo-wielding school children are pretty amazing

24-Sep-09 14:37 | vicchi

#geocom HIV/TB co-occurrence project could be an MSc project though how critical are they of the data?

24-Sep-09 14:36 | jeremy_morley

Kids being taught paleo geography at school..what will @osbornec make of this!? (#geocom)

24-Sep-09 14:36 | rollohome

Drag the teachers off and let the kids talk more #geocom

24-Sep-09 14:33 | osbornec

#geocom Do the kids do twitter? Do they know our hashtag?

24-Sep-09 14:31 | jeremy_morley

GSAL 12yr olds create controversy in theory of spread of BlackDeath using GIS...impressed @#Geocom

24-Sep-09 14:31 | rollohome

RT @andrewl no names, but that first kid was better than some of the speakers I've sat in on. #geocom

24-Sep-09 14:29 | osbornec

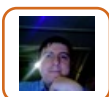

#geocom well, it could be the fleas travelling with the people to new rats?

24-Sep-09 14:29 | jeremy_morley

#geocom Can someone shut up the adults and let the kids talk.

24-Sep-09 14:28 | Thierry_G

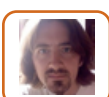

RT @andrewl: no names, but that first kid was better than some of the speakers I've sat in on. #geocom

24-Sep-09 14:27 | cjmillsnun

@kennethfield Maybe;but no business can make the hairpin turn 2 meet the needs in finance & knowledge that we can in collaborating #geocom

24-Sep-09 14:26 | ChrisSergent

no names, but that first kid was better than some of the speakers I've sat in on. #geocom

24-Sep-09 14:25 | andrewl

Give that boy an A. Leeds Grammar School @ #GeoCom

24-Sep-09 14:25 | rollohome

Closing plenary 3 students: boy w/ glasses, brown haired girl, and red haired boy. Do all British children group like Harry Potter? #geocom

24-Sep-09 14:15 | ajturner

Funny that Find Mapping is watching the #geocom twitter feed while we on other side of room trying out ideas on the cloud servers

24-Sep-09 14:14 | julianchick

have a suspicion we might have saved the best until last #geocom

24-Sep-09 14:13 | scmjea

Johannes Kebeck seriously geeking it with SQL server, SAFE FME and Bing Maps. Nice #geocom

24-Sep-09 14:09 | johnbfagan

Great discussion session on derived data - more please. #geocom

24-Sep-09 14:09 | Aluncj

#geocom Derived data debate boiling down to defining "reasonable". Everyone agrees but "reasonable" is what lawyers earn their fees on.

24-Sep-09 14:09 | Thierry_G

OS pitched themselves as Waitrose of topo mapping at #SoC conf few weeks ago. does that make OSM Kwik Save? #geocom

24-Sep-09 14:08 | kennethfield

#geocom BTW, should I know that Autodesk have a gaming division?

24-Sep-09 14:07 | jeremy_morley

Seppe #geocom branding himself as the Tesco of topo mapping

24-Sep-09 14:06 | kennethfield

RT @mcknut: OH "the biggest thing I'll take away from this conference is that I should get an iPhone" #geocom

24-Sep-09 14:06 | nuxnix

RT @ajturner Peter ter Haar of OS explains that if you locate a feature they don't know about, you own it but if mapped they do #geocom

24-Sep-09 14:05 | equaliser

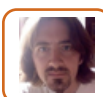

Looking forward to the presentation by The Grammar School at Leeds.... don't miss it unless you have to #geocom (via @ciarawarner)

24-Sep-09 14:05 | johnbfagan

both Peter ter Haar & VL break into wry smiles when talking about licensing & pricing review #geocom. OS are talking to people apparently

24-Sep-09 14:04 | kennethfield

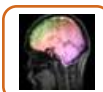

so, is dog doo derived data or not? #geocom

24-Sep-09 14:03 | andrewl

Peter ter Haar of Ordnance Survey explains that if you locate a feature that they don't know about, you own it but if mapped they do #geocom

24-Sep-09 14:02 | ajturner

#geocom Infoterra describing image classification. Hmm. Waiting to be impressed.

24-Sep-09 13:59 | jeremy_morley

Have car space for 1 or 2 going to north London about 5pm. Dm me if you want a lift #GeoCom

24-Sep-09 13:59 | StevenFeldman

Now we get to the bot you've all been waiting for Well that is not what he actually said but .. #GeoCom

24-Sep-09 13:56 | StevenFeldman

@edparsons was like the opening round in a boxing match, the OS response is the ad in the commercial break. Not really a response. #geocom

24-Sep-09 13:54 | LondonYank

Sales pitch from OS! #geocom

24-Sep-09 13:54 | Aluncj

collaborate to innovate. are OS deriving 'ideas' from others now? SuperTanker indeed - gotta be a hijacking joke in there somewhere #geocom

24-Sep-09 13:53 | kennethfield

My crowd image in peter ter haar presentation. Issues of copyright? #GeoCom

24-Sep-09 13:53 | StevenFeldman

RT @Thierry_G #geocom @pterhaar voice of reason vs @edparsons voice of common sense. Look fwd to Q&A.

24-Sep-09 13:52 | RoyalTennisCt

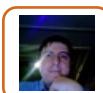

Good to have an old school cartographer talking about OSM #geocom

24-Sep-09 13:52 | ciarawarner

Any London bound folk planning to use trains, there seem to be probs on the line. 2 trains in a row now canceled. #geocom

24-Sep-09 13:52 | LondonYank

Peter van de haar is using this as an advert #geocom

24-Sep-09 13:51 | cjmillsnun

#geocom @pterhaar voice of reason vs @edparsons voice of common sense. Look fwd to Q&A.

24-Sep-09 13:50 | Thierry_G

someone has built an application & a bar chart. innovation indeed from OS #geocom

24-Sep-09 13:49 | kennethfield

#geocom Peter ter Haar of OS is on. He is now going to talk about a new OS product called inferred data which is not evil like derived data

24-Sep-09 13:47 | MadProf

OS are delivering map data on demand. Through the intertubes. What is this devilment of which they speak? #geocom

24-Sep-09 13:47 | andrewl

RT @Thierry_G #geocom @edparsons masterclass in derived data - pure genius. Feeling sorry for next speaker, from OS. Actually not that sorry

24-Sep-09 13:39 | StevenFeldman

Funny @edparsons picking a fight with OS over derived data. Google not exactly pure on this issue. #geocom

24-Sep-09 13:39 | LondonYank

"All your maps are belong to us" - @edparsons on Ordnance Survey derived data rights #geocom

24-Sep-09 13:39 | pmbatty

#geocom ding ding round two

24-Sep-09 13:39 | kennethfield

#geocom @edparsons masterclass in derived data - pure genius. Feeling sorry for next poor speaker, from OS. Actually not that sorry.

24-Sep-09 13:38 | Thierry_G

#geocom Forbidden Planet, Muppets, OS owning location of dog shit, audience participation & bloody genius finale! @edparsons entertains!!!

24-Sep-09 13:38 | kennethfield

@pezholio you get a plug from Ed Parsons @ #GeoCom as a good case study..get going!

24-Sep-09 13:38 | rollohome

@edparsons ropes @simdoyle into pin the tail onto the donkey to create derived data including dog mess #GeoCom

24-Sep-09 13:37 | StevenFeldman

"The OS now owns Litchfield dog mess (derived) data" @edparsons at #geocom

24-Sep-09 13:37 | vicchi

Ouch. Take that OS. #geocom

24-Sep-09 13:37 | mpdaly

@vicchi <http://is.gd/3Dcle> #geocom #deletekey (might not want to click on the link in public)

24-Sep-09 13:35 | mcknut

"you need to own the data before you can license it to anyone else" @edparsons at #geocom

24-Sep-09 13:34 | vicchi

Want to see some maps in the cloud computing presentation #geocom

24-Sep-09 13:34 | mapjuice

Crown copyright vs database rights. Complex, serious and very thoughtful stuff from @edparsons #GeoCom

24-Sep-09 13:33 | StevenFeldman

#geocom @edparsons avoiding two words as skillfully as Seppe: 'the maps we go into WH Smith to buy'.

24-Sep-09 13:33 | kennethfield

More muppets please #geocom

24-Sep-09 13:29 | mpdaly

David Overton tells us that out of a survey of 250 IT managers, 82% are thinking of a cloud based solution #geocom

24-Sep-09 13:29 | johnbfagan

@edparsons is managing to work a Muppet soundtrack into an AGI conference talk; not bad at all #geocom

24-Sep-09 13:28 | vicchi

"there is no delete key on the Internet" : @vicchi #GeoCom

24-Sep-09 13:28 | StevenFeldman

"Digital content is like mercury, it wants to flow" @edparsons at #GeoCom

24-Sep-09 13:27 | StevenFeldman

#geocom @edparsons: digital data is like mercury, it wants to flow. pure gold!

24-Sep-09 13:26 | kennethfield

#geocom @edparsons talking in new jacket, that of a copyright lawyer. Homework from GoogleBooks?

24-Sep-09 13:25 | Thierry_G

@edparsons off to good start with old movies & copyright stuff in battle of giants guttenberg technology & more #GeoCom

24-Sep-09 13:25 | StevenFeldman

Mike Saunt - 'open source is acceptable now.' #geocom

24-Sep-09 13:25 | huwgle

RT @LondonYank: Oh dear, the OS are here to see the @edparsons data rights talk. Pitchforks at the ready. #geocom

24-Sep-09 13:25 | vicchi

#geocom Autodesk support Sketchup & BIM import into their 3d GIS. Berlin way ahead in 3d city BIM

24-Sep-09 13:24 | jeremy_morley

#geocom Autodesk support Sketchup import into their 3d GIS. Berlin way ahead in 3d city BIM

24-Sep-09 13:23 | jeremy_morley

Neat Stratford / Shakespeare / The Tempest / Forbidden Planet / derived works linkage from @edparsons at #geocom

24-Sep-09 13:21 | vicchi

#geocom geobingo. VL late arrival in ballroom

24-Sep-09 13:21 | GrahamHyde

Oh dear, the OS are here to see the @edparsons data rights talk. Pitchforks at the ready. #geocom

24-Sep-09 13:21 | LondonYank

"it's time to rethink IP rights on the geoweb, my views not those of Google's" @edparsons #geocom

24-Sep-09 13:18 | vicchi

Off to hear David O talk about the cloud and his Mavelous Maps #geocom

24-Sep-09 13:17 | lanHolt

RT @iapainter: Is this going to be celebrity death match @edparsons up first #geocom.

24-Sep-09 13:16 | aradburn

Will Ed answer his own question or just ask it again at #geocom?

24-Sep-09 13:16 | andnewmanWORK

Anyone want to play spot VL In the #geocom ballroom?

24-Sep-09 13:15 | andnewmanWORK

#geocom Ready for a talk from Autodesk on building information models. A next frontier in geoinfo IMO.

24-Sep-09 13:15 | jeremy_morley

Dutch spatial planning SDI then more openstreetmap. Should be a good session. #geocom

24-Sep-09 13:14 | sir_stan

Is this going to be celebrity death match @edparsons up first #geocom. sea plane in vancouver on screen.

24-Sep-09 13:12 | iapainter

The main ballroom is far more corporate than the geoweb track; it's all Blackberrys & Nokia N series with hardly a MacBook in sight #geocom

24-Sep-09 13:09 | vicchi

@edparsons up in the ballroom. Major twitter volume on the way #geocom

24-Sep-09 13:07 | iapainter

#geocom just for a second I thought the 1970s soft porn musak was part of @edparsons presentation

24-Sep-09 13:07 | kennethfield

Suitably fed, watered and caffeinated and settling down to watch @edparsons talk about data ownership at #geocom

24-Sep-09 13:06 | vicchi

enjoyed @MadProf asking OS chaps to cut the fudd from derived data policies. look of confusion quickly followed by denial of fudd #geocom

24-Sep-09 13:03 | kennethfield

Really pleased with how my presso went down, can relax now #geocom

24-Sep-09 13:00 | johnbfagan

RT @mapjuice: @johnbfagan spot on about geocoding not being about search #geocom

24-Sep-09 12:51 | johnbfagan

great (& very carefully worded) presentation on UKMap by Seppe #geocom. pragmatism, simplicity & meeting demands - blimey!

24-Sep-09 12:44 | kennethfield

enjoying some down time in the sun and waving at pensioners in a boat #geocom

24-Sep-09 12:33 | GISMatt

Agreed RT @vicchi: Good to see @johnbfagan telling our horrible secret; geocoding *IS* hard and you have to get it right first time #geocom

24-Sep-09 12:32 | kirrilian

RT @kennethfield: MapInfo guys- jeesz, this is why we buy ESRI #geocom

24-Sep-09 12:26 | colinshedden

OH "they just wanted me for my udders" @StevenFeldman #geocom

24-Sep-09 12:24 | vicchi

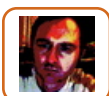

#geocom UKMap + OSM = sorted then, or arms race with OS, Bing, Google, Yahoo?

24-Sep-09 12:13 | Thierry_G

@vicchi thanks for the mention, I was going to say that we could help with real time geocoding, <http://mapme.at/geocom> works now #geocom

24-Sep-09 11:58 | mcknut

RT @commuterjoy: The BBC have shown how to make maps back into art to tell stories at #geocom (RT @andnewmanWORK)

24-Sep-09 11:53 | blooders

presentation started ok then big fail on not having silverlight plugin installed, ought to double check :-(or use my own laptop #geocom

24-Sep-09 11:51 | earthware

@ciarawarner @stevenfeldman I just feel sorry for the poor, lost souls stuck in the SDI ghetto #geocom

24-Sep-09 11:50 | osbornec

Good to see @johnbfagan telling our horrible secret; geocoding *IS* hard and you have to get it right first time #geocom

24-Sep-09 11:50 | vicchi

The BBC have shown how to make maps back into art to tell stories at #geocom (RT @andnewmanWORK)

24-Sep-09 11:50 | commuterjoy

RT @ciarawarner: @osbornec now now Chris play nicely... there is a world outside the geoweb stream #geocom

24-Sep-09 11:50 | StevenFeldman

ust watched the bbc show how powerful silverlight maps can be, got a gasp when they rotated OS map but labels stayed upright #geocom

24-Sep-09 11:49 | earthware

@johnbfagan I'm sure you shouldn't be sharing that company sensitive information at #geocom ;-)

24-Sep-09 11:49 | mcknut

@osbornec no crowing at #geocom

24-Sep-09 11:45 | StevenFeldman

@johnbfagan Unstructured data, and geocoding from it, is *hard*. #geocom

24-Sep-09 11:45 | mpdaly

RT @andnewmanWORK: The BBC have shown how to make maps back into art to tell stories at #geocom

24-Sep-09 11:44 | GeoCommunity

RT @andnewmanWORK: The BBC have shown how to make maps back into art to tell stories at #geocom

24-Sep-09 11:44 | StevenFeldman

@johnbfagan spot on about geocoding not being about search #geocom

24-Sep-09 11:44 | mapjuice

Sounds like the SDI stream is boring the pants off the #geocom crowd

24-Sep-09 11:43 | osbornec

The BBC have shown how to make maps back into art to tell stories at #geocom

24-Sep-09 11:43 | andnewmanWORK

John Fagan is doing a great job of keeping my attention on the black art of geocoding #geocom

24-Sep-09 11:43 | ciarawarner

Commodifying perception of place. Seems wrong somehow. #geocom

24-Sep-09 11:43 | archaeogeek

Whether you are neo or paleo or any-o please spare me your corporate sales pushes. Inform, interest & inspire me, don't sell to me #geocom

24-Sep-09 11:43 | StevenFeldman

#geocom @StevenFeldman there is a need for palaeo and neo to reconcile: what about a program of 'take your neo to work' days at palaeo orgs?

24-Sep-09 11:42 | MadProf

@GeoCommunity how about one last Neo v's Palaeo joke of 2009, it seems to have domindated the entire conference #geocom

24-Sep-09 11:42 | ciarawarner

@StevenFeldman No more neo/paleo. Visualisation IS important. So is Data (data quality, fitness for purpose: makes it reusable). #geocom

24-Sep-09 11:42 | AntArch

#geocom @StevenFeldman as requested, would suggest that increasing no. of macbooks in audience proves AGI on right track.

24-Sep-09 11:41 | Thierry_G

Think I made a mistake about my choice of sessions #geocom

24-Sep-09 11:40 | StevenFeldman

#geocom @vicchi tell us that Yahoo are working on a look up database to link cell positioning geography and WOEIDs- no release date though

24-Sep-09 11:36 | MadProf

I think I am feeling twired at #geocom Hard night's Geobabble last night

24-Sep-09 11:35 | StevenFeldman

Peter Jolly #geocom: I cant do more than 1 party a week

24-Sep-09 11:31 | kennethfield

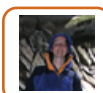

RT @rollohome: Is the real differnce between neo and paleo, their slide deck design? Does he think we can read that? #geocom

24-Sep-09 11:31 | pmbatty

Seem to have annoyed @ajturner a bit reducing things to tools. He's right of course, but baby steps needed in Paleoland. #geocom

24-Sep-09 11:30 | mpdaly

Oops ran out of time for mini osgeo-uk meet-up. Catch me if you see me around, I've got my osgeo t-shirt on! #geocom

24-Sep-09 11:27 | archaeogeek

BBC show what you can do with shed-loads of money and help from microsoft and OS. No, not jealous at all. #geocom

24-Sep-09 11:25 | archaeogeek

Is the real differnce between neo and paleo, their slide deck design? Does he think we can read that? #geocom

24-Sep-09 11:24 | rollohome

#geocom @vicchi's intro to WOEIDs (WhereOnEarthID) is interesting to former geodesist like myself. More than geoparsing?

24-Sep-09 11:23 | Thierry_G

silverlight envy from the bbc map demo, need to find 3 months to play :-) #geocom

24-Sep-09 11:22 | earthware

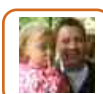

RT @MadProf #geocom Authorised route palaeo to neo: resign well-paid job in palaeo, start co using neo tech & suffer poverty in the meantime

24-Sep-09 11:22 | StevenFeldman

RT @andrewl: Data and infrastructure have been conquered. #geocomreally?

24-Sep-09 11:21 | AntArch

#geocom I have a feeling I'm missing the interesting papers by attending day job related streams. Does geoweb care about location strategy?

24-Sep-09 11:20 | GrahamHyde

Data and infrastructure have been conquered. Visualisation is the most interesting geo problem right now. #geocom

24-Sep-09 11:20 | andrewl

@LondonYank Just remember M.A.Ps #geocom

24-Sep-09 11:16 | ciarawarner

@JWvanEck weird reading your #esrigc updates from Rotterdam during #geocom in UK. Parallel universes intersecting.

24-Sep-09 11:04 | Thierry_G

#geocom Today's geoweb talks lifting spirits. Great demos. Paleo & neo together. Great one-liners & jokes.

24-Sep-09 10:47 | Thierry_G

□ RT @archaeogeek: Oh god let's face it we're all powerless before the unstoppable #OSM juggernaut #geocom

24-Sep-09 10:46 | kirrilian

Not just content with the perils of live demos, @earthware goes for broke with live plugin installation #geocom

24-Sep-09 10:45 | vicchi

Nah, not convinced by "seemless" silverlight experience after delay while plugin installed #geocom #pluginfail

24-Sep-09 10:44 | archaeogeek

Brian Norman from @earthware showing some very nice interactive travel sites (hampere a little by slow network) #geocom

24-Sep-09 10:42 | pmbatty

@pilsna Try <http://www.geocommunitylive.com/> #geocom #stuck

24-Sep-09 10:42 | vicchi

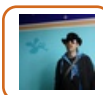

"Disneyland in Google Earth is more fake than the real thing" @earthware #geocom

24-Sep-09 10:41 | vicchi

@earthware Demo of Bing Maps/Silverlight and coverflow style browsing. Clever. #geocom

24-Sep-09 10:41 | timwarr

@osbornec is it possible to see slides or video from #geocom somewhere in the internets? #stuck-in-dk

24-Sep-09 10:40 | pilsna

@earthware (Brian) doing great presentation on maps/flash/silverlight - great content. Instead of neo/paleo debate it is JFDI #geocom

24-Sep-09 10:37 | timwarr

Seeing a first hand example of why plugins are a great way to kill your web app. Fail. #geocom

24-Sep-09 10:37 | osbornec

@earthware actually showed the angle brackets! #geocom

24-Sep-09 10:35 | mpdaly

Brian Norman of earthware going down very well in geoweb stream. Telling us how to build map apps for realestate and travel Industry #geocom

24-Sep-09 10:35 | johnbfagan

Who would have thought real estate and travel related Geo would actually be pretty interesting? #geocom

24-Sep-09 10:34 | vicchi

RT @archaeogeek: Oh god let's face it we're all powerless before the unstoppable #OSM juggernaut #geocom

24-Sep-09 10:21 | gravitystorm

RT @pmbatty Switched from geoweb track to plenary, feels like a parallel universe #geocom

24-Sep-09 10:19 | osbornec

RT @vicchi: "I'm a paleogeographer, in the morning we count license fees and in the afternoon we kill puppies" @mpdaly #geocom

24-Sep-09 10:19 | gravitystorm

#geocom Authorised route palaeo to neo: resign well-paid job in palaeo, start company using neo techniques & suffer poverty in the meantime

24-Sep-09 10:14 | MadProf

@mpdaly prefer the substance to the strained humour #geocom

24-Sep-09 10:13 | steev8

@mpdaly as eccentric as usual at #geocom

24-Sep-09 10:13 | timwarr

Jon Winslow is hardcore. He even named his kids M.A.P! #geocom plenary

24-Sep-09 10:13 | GISMatt

@mpdaly great talk with biggest laughs of the day so far, insulted everyone but thought provoking #geocom

24-Sep-09 10:11 | earthware

Hoping people in the #geocom keynote are getting the message that MapInfo / PBBI are very much still in the GIS / LI game.

24-Sep-09 10:09 | LondonYank

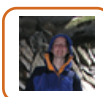

Who let the paleo onstage in the geoweb stream? #geocom

24-Sep-09 10:08 | osbornec

RT @steev8: @mpdaly surprisingly shy and won't saying wanking when he really wants to #geocom

24-Sep-09 10:07 | publicjerkers

Oh god let's face it we're all powerless before the unstoppable #OSM juggernaut #geocom

24-Sep-09 10:05 | archaeogeek

@mpdaly surprised by new data appearing in his demo from folk #osm mapping yesterday. Cool #geocom

24-Sep-09 10:04 | steev8

@mpdaly surprisingly shy and won't saying wanking when he really wants to #geocom

24-Sep-09 10:00 | steev8

@mpdaly uses geonanism instead of geowanking #geocom

24-Sep-09 09:59 | vicchi

How can you innovate & change #geocom if you don't have freedom to do so

24-Sep-09 09:52 | Aluncj

Wow! RT @vicchi: "I'm a paleogeographer, in the morning we could license fees and in the afternoon we kill puppies" @mpdaly #geocom

24-Sep-09 09:50 | kirrilian

While every speaker @#geocom dismisses neo and paleo tag they will not stop going on about it. If it has no credence then why give it time?

24-Sep-09 09:49 | rollohome

@artem call out for being main player at Cadcorp on original slippy map development in MDaly talk #geocom

24-Sep-09 09:48 | steev8

V Lawrence #geocom: organisations must change & innovate 2 capitalise on GIS. how do we persuade those 2 ignorant or arrogant 2 listen?

24-Sep-09 09:48 | kennethfield

"I'm a paleogeographer, in the morning we count license fees and in the afternoon we kill puppies" @mpdaly #geocom

24-Sep-09 09:47 | vicchi

@mpdaly kills puppies!!! #evilpaleos #geocom

24-Sep-09 09:45 | andrewl

Evil Vendor admits to killing puppies every afternoon (after counting licence fees in the morning). The truth is out from MDaly @ #geocom

24-Sep-09 09:44 | rollohome

"I'm a paleogeographer, in the morning we could license fees and in the afternoon we kill puppies" @mpdaly #geocom

24-Sep-09 09:43 | vicchi

#geocom @mpdaly stealing the audience from the SDI thread. ESRI talk on silos was good. Kml and perl. Dgc up next. Geoweb in defence.

24-Sep-09 09:43 | iapainter

Neo and paleo, little endian and big endian and Ghostbusters; @mpdaly promises to offend everyone at #geocom

24-Sep-09 09:42 | vicchi

just blazed through my OpenStreetView talk at AGI #geocom, accidentally forced the geoweb to run 15 minutes early, @mpdaly up now

24-Sep-09 09:41 | mcknut

@mpdaly Never work with children, animals or video streams #geocom

24-Sep-09 09:37 | vicchi

@mpdaly starting most bizarrely titled presentation at #geocom

24-Sep-09 09:37 | earthware

Richard Waite #geocom: need paradigm shift 2 put GIS at heart of enterprises rather than being units within enterprises. Same 4 universities

24-Sep-09 09:36 | kennethfield

Richard Waite #geocom: GIS indispensable 2 everyday life but not on radar of those outside industry. Too many dont appreciate value of GIS

24-Sep-09 09:27 | kennethfield

#geocom Announcing Open Streetview, crowd sourced street views, tagged and moderated by users.

24-Sep-09 09:25 | MadProf

@iapainter You should have pulled rank, ponytail pulling no longer being an option #geocom

24-Sep-09 09:24 | mpdaly

@mpdaly use the force and talk loudly so that we can hear you in the SDI thread next door. Eddie gets the geoweb thread at #geocom I get SDI

24-Sep-09 09:22 | iapainter

@mpdaly greatly, during mine ideally ;-) #geocom

24-Sep-09 09:19 | earthware

#geocom Early vote for strangest concept of the day - fluffy energy.

24-Sep-09 09:19 | jeremy_morley

@earthware Noted: I'll see what I can do. Would fainting help? #geocom

24-Sep-09 09:18 | mpdaly

#geocom OSM has one E.London vandal. Judging by activity in school holidays, late afternoon use etc prob a schoolkid.

24-Sep-09 09:18 | MadProf

@mpdaly me too geo-nerves, dont be too good ive got to follow you! #geocom

24-Sep-09 09:17 | earthware

sorry no mind maps from #geocom for the moment. Urgent grant application re-writes to attend to. Personal #geofail

24-Sep-09 09:16 | AntArch

#geocom SDI stream a bit dry after geobeers last night. Its all Licensing and drm here. Big applause from osm talk next door. ESRI next.

24-Sep-09 09:15 | iapainter

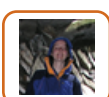

#Made it to the Geoweb track at #geocom. OSM taking questions- inevitably, quality comes up. They use a 'on the ground rule' for resolutions

24-Sep-09 09:15 | MadProf

@GrahamHyde sounds like you've just volunteered. Well done that man! (#geocom).

24-Sep-09 09:14 | rollohome

ok, I'm won over- OSM flexible data means you can mark roads in the West Bank as one-way if Palestinian, two-way if Israeli #geocom

24-Sep-09 09:09 | archaeogeek

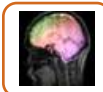

Back in the geoweb track room; listening to @gravitystorm talk about OpenStreetMap and OpenCycleMap in his Scottish brogue #geocom

24-Sep-09 09:07 | vicchi

T - 45 mins. Starting to feel the geo-nerves #geocom

24-Sep-09 08:58 | mpdaly

#geocom Speakers - never apologise for your slides. You chose them!

24-Sep-09 08:57 | jeremy_morley

Waiting for Geocommunity day 2 plenaries. I hope they are as good as yesterday. #geocom

24-Sep-09 08:55 | GISMatt

Why do the MapInfo polo shirts make them look like the #geocom event AV technicians?

24-Sep-09 08:54 | kennethfield

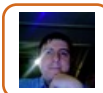

Good to see a full house for Andy Allan talking about #openstreetmap at #geocom

24-Sep-09 08:53 | pmbatty

@vicchi have just seen @osbornec, fears for his life are unfounded :) #geocom

24-Sep-09 08:49 | pmbatty

RT @cjmillsnun: No #geotat on the chairs this morning #geocom originally sent on wrong hash tag

24-Sep-09 08:47 | cjmillsnun

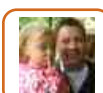

ok found wifi, found the room I'm speaking in, met a few of the geoweb cloud (at last). looking good #geocom

24-Sep-09 08:44 | earthware

Great quote from @jimmyaus at UKMap stand: "looks better than Ordnance Survey" #geocom

24-Sep-09 08:44 | kennethfield

#geocom More fun to come on day 2.

24-Sep-09 08:43 | GrahamHyde

RT @vicchi: OH: @osbornec's not tweeted this morning; he's probably dead; #geocom... alive and kicking and sighted in the restaurant

24-Sep-09 08:40 | AntArch

Apparently I'm looking more paleo this morning <http://su.pr/2Eni8c>. Does that mean that cowboy hats are neo :) ?? #geocom

24-Sep-09 08:39 | pmbatty

OH: "@osbornec's not tweeted this morning; he's probably dead" #geocom

24-Sep-09 08:38 | vicchi

@StevenFeldman Nearly at #geocom. If any no shows I have a *spare* 16 slide call to arms 'Open (location) data: the next challenge for LBS'!

24-Sep-09 08:16 | MadProf

Ok, bring on a great second AGI conf day #geocom

24-Sep-09 07:55 | Aluncj

#geocom - head ok, but really should have switched off earlier.

24-Sep-09 07:18 | jeremy_morley

up bright and early after very little sleep at #geocom, feels like a Sunday too, off for geobreakfast then speaking about openstreetview

24-Sep-09 07:16 | mcknut

If you're uploading #geocom photos to Flickr; please tag them as "geocom" as well, so we can find them.

24-Sep-09 07:12 | vicchi

Mmm geobreakfast at #geocom :)

24-Sep-09 06:58 | jimmyaus

Up and awake on Day 2 of the AGI #geocom; now mulling over a blog post draft before breakfast.

24-Sep-09 06:56 | vicchi

#geocom day 2-did ESRIUK really come to party dressed as cashcow? Still having nightmares about MapInfo soapbox effort too. Demons be gone!

24-Sep-09 06:46 | kennethfield

#geocom Eating a bacon butty on the 07.23 to Stratford from Marylebone. Look forward to seeing all u palaeo & neo types later

24-Sep-09 06:29 | MadProf

All ready for the 2nd day of #geocom - @VodafoneUK service still largely non-existent - thank god for hotel wifi (Thanks AGI!)

24-Sep-09 06:22 | jimmyaus

Geohead not so pretty this side of the geoparty..Day 2 starts a little gingerly at #geocom.

24-Sep-09 06:13 | rollohome

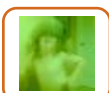

Chris R - drinking beer at 3 am #geocom

24-Sep-09 02:09 | mpbishop

They want changes to my fellowship application! My pound of flesh is obviously not good enough..... bugger. Reduction in #geocom joy

24-Sep-09 01:34 | AntArch

AGI_Soapbox.mm mind map uploaded. <http://bit.ly/Yv5pY> #geocom

24-Sep-09 01:33 | AntArch

More #geocom photos added from today and this evening : <http://bit.ly/swvuG>

24-Sep-09 00:34 | jeremy_morley

More #geocom photos from today and this evening from @jeremy_morley : <http://bit.ly/swvuG>

24-Sep-09 00:34 | GeoCommunity

romping fun night of authentic British curry, Boddington's, and full-on #geoglobaldomination discussions #geocom

24-Sep-09 00:23 | ajturner

RT @twbell: OM Malik not so optimistic should the Dopplr/Nokia rumour prove true: <http://bit.ly/oCAGH> #MetaPlaces #Geocom

23-Sep-09 23:28 | vicchi

#geocom slide of the day to @pmbatty - vanessa

23-Sep-09 23:28 | iapainter

Signing out for the evening. Good party as ever. Saw Vanessa in lobby. Let the games begin #geocom...

23-Sep-09 23:21 | GISMatt

#geocom thx for all the soapbox feedback. I guess that's my 5 min of fame. Best comment from Ciara "I didn't know you were funny"

23-Sep-09 23:21 | iapainter

RT @vicchi @twbell: Wow: Nokia is acquiring Dopplr (<http://ping.fm/uAR6i>) #MetaPlaces #geocom

23-Sep-09 23:18 | jeremy_morley

#geocom - we're still not trending. More tweets, peeps!

23-Sep-09 23:17 | jeremy_morley

#geocom - retired from the field of battle (the party). When your voice has gone it's time to go to bed...

23-Sep-09 23:10 | jeremy_morley

RT @schuyler @ajturner gives keynote at #geocom; "How Neogeography Killed GIS." Did they ride you out of the conference on a rail after?

23-Sep-09 23:06 | osbornec

Lots of good feedback about Kingstons contribution 2 #geocom. Thanks! Looking forward 2 day 2 sessions.

23-Sep-09 23:05 | kennethfield

<http://twitpic.com/ivk1l> - Geolagulavin in case you were wondering, courtesy of @stevenfeldman at #geocom

23-Sep-09 23:00 | vicchi

<http://twitpic.com/ivjr2> - The #geomob go for a #geocurry in Stratford. Bardtastic. #geocom

23-Sep-09 22:58 | vicchi

Good party eve #geocom but no fancy dress prize? Took me at least 30mins 2 make mine! ;-)

23-Sep-09 22:55 | kennethfield

<http://twitpic.com/ivcdq> - Ciara and Ian get into the #geocom spirit

23-Sep-09 22:08 | LondonYank

My cowboy outfit was apparently a primary reason to be at #geocom (not many of those in Stratford!) <http://su.pr/3mbXOT>

23-Sep-09 22:08 | pmbatty

#geocom Chris' band as good as ever. Scalextric even better!

23-Sep-09 21:56 | kennethfield

RT @kennethfield: MapInfo guys- jeesz, this is why we buy ESRI #geocom

23-Sep-09 20:54 | GeoCommunity

RT @kennethfield: MapInfo guys- jeesz, this is why we buy ESRI #geocom

23-Sep-09 20:54 | StevenFeldman

#geocom ESRI a load of bullocks

23-Sep-09 20:44 | andnewmanWORK

The #geocom tweet stream: never has so much been tweeted about so little.

23-Sep-09 20:24 | GEOpdx

At the #geocom dinner, keeping my eyes peeled for fellow neographers...

23-Sep-09 20:11 | gravitystorm

Chatting with Stephen Feldman #geocom he's dressed as a cow- still talking bullshit tho ;-)

23-Sep-09 19:50 | kennethfield

Wow, my black ninja costume has been so effective, nobody has yet seen me at the #geocom dinner.

23-Sep-09 19:30 | LondonYank

RT @twbell: Wow: Nokia is acquiring Dopplr (<http://ping.fm/uAR6i>) #MetaPlaces #geocom

23-Sep-09 19:29 | vicchi

#geocom TfL girls deliver at AGI party

23-Sep-09 19:25 | GrahamHyde

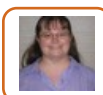

com on geo pple. Were the party @#geocom

23-Sep-09 19:15 | SavaniaC

RT Cool! @twbell: Wow: Nokia is acquiring Dopplr (<http://ping.fm/uAR6i>) #MetaPlaces #geocom

23-Sep-09 19:12 | bryantr

@ajturner Twitter & LinkedIn for me. Have thought about doing own blog & facebook. Time is a magor consideration for me. #geocom

23-Sep-09 19:11 | amandahstaub

Wow: Nokia is acquiring Dopplr (<http://ping.fm/uAR6i>) Well done lads. #MetaPlaces #geocom

23-Sep-09 19:06 | twbell

RT @pmbatty: James Cutler says 20% of world's CCTV cameras are in UK #geocom - if 1.5M CCTVs in UK then <10M worldwide? <http://bit.ly/nCGBI>

23-Sep-09 18:59 | azolnai

#geocom @mpdaly @steev8 Wifi works fine from hotelroom! By the way, you all missed a stunning sunset outside - pink & purple sheep clouds.

23-Sep-09 18:54 | Thierry_G

RT @andnewmanWORK: #geocom day 1 conclusion: we know where we are but which way to go next?

23-Sep-09 18:13 | GeoCommunity

@LondonYank not 1 arsenal reference in #GeoCom opening - you might say #epicfail on my part :9

23-Sep-09 18:08 | StevenFeldman

@charlesarthur should be loads of bloggers at #geocom - ed, gary, andrew turner etc we are trying to aggregate at <http://bit.ly/2A9lfO>

23-Sep-09 18:06 | StevenFeldman

@freeourdata shared inheritance etc quoting dr muki haklay at #geocom

23-Sep-09 18:05 | StevenFeldman

#geocom day 1 conclusion: we know where we are but which way to go next?

23-Sep-09 18:04 | andnewmanWORK

Never again will I do any form of stand-up #geocom was a once in a lifetime chance to see bish tell jokes.

23-Sep-09 17:59 | mpbishop

Following two simultaneous geo conferences, #geocom and #MetaPlaces; the former seem to be slagging GIS users and wearing curious hats

23-Sep-09 17:56 | twbell

"I always go down well in a crowd" @Osbornec at #geocom

23-Sep-09 17:55 | vicchi

<http://twitpic.com/iucj6> - Mr Geoweb #geocom

23-Sep-09 17:54 | vicchi

#geocom Soapbox rocked!

<http://twitpic.com/iuah7> - Now THAT is a geohat from @pmbatty #geocom

23-Sep-09 17:38 | vicchi

It's a laugh a minute at the georants, shame about the other 50 seconds #GeoCom

23-Sep-09 17:35 | StevenFeldman

MapInfo guys- jeesz, this is why we buy ESRI #geocom

23-Sep-09 17:34 | kennethfield

Geojokes are getting groans from crowd #GeoCom

23-Sep-09 17:33 | StevenFeldman

Both have scales... #geocom

23-Sep-09 17:32 | royles

Mapinfo guys telling corny map jokes #GeoCom

23-Sep-09 17:32 | StevenFeldman

Bombing out @itoworld push #GeoCom

23-Sep-09 17:30 | StevenFeldman

Give it a rest pleeeeeeease #GeoCom

23-Sep-09 17:29 | StevenFeldman

#geocom TFL maps for the whole of the country

23-Sep-09 17:29 | royles

Lovely old London underground map #GeoCom

23-Sep-09 17:28 | StevenFeldman

@osbornec being a bit serious at #GeoCom

23-Sep-09 17:28 | StevenFeldman

Geowifi is just bloody geopants during the geosoapbox #geocom

23-Sep-09 17:27 | vicchi

Back chatter is very loud at #GeoCom are the audience getting bored?

23-Sep-09 17:27 | StevenFeldman

@osbornec is a neotard doing a blatant product pitch for @itoworld and #osm at #GeoCom

23-Sep-09 17:26 | StevenFeldman

@osbornec discovers that pitches get talked over by the geosoapbox geocrowd #geocom

23-Sep-09 17:26 | vicchi

#geocom pretty animations

23-Sep-09 17:26 | royles

Duckman slide is weird #GeoCom

23-Sep-09 17:22 | StevenFeldman

Beekeepers? Duck men? WTF? #geocom

23-Sep-09 17:22 | LondonYank

Nice to see @andrewl and @geovation giving props to @yahoogeo in a georant #geocom

23-Sep-09 17:21 | vicchi

Ozzie osbourne works at the OS #geocom

23-Sep-09 17:21 | johnbfagan

Chris Parker on @geovation open to all for benefit of all. No OS claim on IP #GeoCom

23-Sep-09 17:20 | StevenFeldman

#geocom Geovation... How do you throw these digital tomatoes again?

23-Sep-09 17:20 | Thierry_G

Cant find geowank on #geocom bingo. Geobugger.

23-Sep-09 17:18 | kennethfield

Geowanking allows us to play with space says @andrewl #GeoCom

23-Sep-09 17:17 | StevenFeldman

I prefer to geo-wank in private #geocom <http://myloc.me/Khyu>

23-Sep-09 17:17 | LondonYank

Play is not the opposite of work #GeoCom

23-Sep-09 17:15 | StevenFeldman

@andrewl on soapbox talking about a laundry basket and imagination #GeoCom

23-Sep-09 17:15 | StevenFeldman

@iapainter the best georant yet from an unashamed paleotard and designer of death star 2 #GeoCom

23-Sep-09 17:14 | StevenFeldman

Shit its Isaac Newton #geocom

23-Sep-09 17:14 | kennethfield

Now THAT's how you do a geo-rant. Well done Ian Painter. #geocom <http://myloc.me/Khpl>

23-Sep-09 17:14 | LondonYank

#geocom Full marks to Ian Painter at soapbox. My vote.

23-Sep-09 17:13 | Thierry_G

Ianpainter behind every neogeographer is a paleotard #GeoCom

23-Sep-09 17:08 | StevenFeldman

#GeoCom geo hooks on geodjango

23-Sep-09 17:06 | StevenFeldman

Half of my twitterstream is currently from #geocom, seems like you're having fun their with lot's of neogeotopics.

23-Sep-09 17:06 | jokru

Loads of cool neo stuff on soapbox at #GeoCom

23-Sep-09 17:05 | StevenFeldman

Think I actually survived the geosoapbox. Dear God, 20 seconds has never seemed so long #geocom

23-Sep-09 17:04 | vicchi

wot no room at #geocom soapbox :-)

23-Sep-09 17:03 | GISMatt

Geoawards from @johnfagan & Simon lewis at #GeoCom

23-Sep-09 17:03 | StevenFeldman

Enough labels it is all just geo at #GeoCom

23-Sep-09 17:01 | StevenFeldman

#GeoCom @vicchi making good points while struggling with slide timings

23-Sep-09 17:01 | StevenFeldman

#geocom Testing, testing...

23-Sep-09 17:01 | jeremy_morley

#geocom @vicchi Are you saying neogeographers are really just paleos in tight pants?

23-Sep-09 17:00 | Thierry_G

@vicchi getting Larfs at #GeoCom talking geolabels and geopeople

23-Sep-09 17:00 | StevenFeldman

On my way to #geocom - and hoping for some geobeers later on.

23-Sep-09 16:59 | gravitystorm

I am a card carrying paleo-neo-geo-tard #geocom <http://myloc.me/KgEx>

23-Sep-09 16:58 | helenaadland

I am a card carrying paleo-neo-geo-tard #geocom <http://myloc.me/KgEx>

23-Sep-09 16:58 | LondonYank

Metadata results in clear concise manour, that's good #geocom

23-Sep-09 16:54 | johnbfagan

#geocom @mpdaly Not my fault you Brits are so short. Anyway, it's about metadata now zzzzz....

23-Sep-09 16:54 | Thierry_G

Los of background babble - is the audience actually listening or are they mesmerised by @pmbatty's hat? #geocom

23-Sep-09 16:53 | vicchi

Will be an academic on a slant by about 10pm #geocom

23-Sep-09 16:53 | kennethfield

???.#geocom

23-Sep-09 16:53 | SavaniaC

#GeoCom geoportal shmortal metadata yawn guy says his slide not interesting. Halllllo

23-Sep-09 16:52 | StevenFeldman

@andrewl geobollocks surely #geocom

23-Sep-09 16:52 | vicchi

No selling from the soapbox! (Says the guy in the company shirt) #geocom <http://myloc.me/Kgh5>

23-Sep-09 16:51 | LondonYank

If there's a swine flu epidemic, i hope i'm in Swindon - all sorted! #geocom

23-Sep-09 16:50 | huwgle

Blatant #geocom

23-Sep-09 16:50 | GrahamHyde

Lots of georeverb in geoscottish and geobingo cheating going on here at #geocom

23-Sep-09 16:50 | vicchi

@Thierry_G Hey tall guy, it is your job to let the short-arses and those behind @pmbatty and his hat know what's happening. #geocom

23-Sep-09 16:50 | mpdaly

#GeoCom are you inspired? I'm not. Sorry

23-Sep-09 16:49 | StevenFeldman

Enough SDI - get him off #GeoCom

23-Sep-09 16:48 | StevenFeldman

Ramage drinking ranting and Working guthries slides. Impressive but not sure I understand #GeoCom

23-Sep-09 16:48 | StevenFeldman
