@arusbridger chats to @jeffjarvis #cabinet <http://yfrog.com/5zffpj>

29-Oct-09 08:53 | joannageary

'journalists' have to ask what they add to communities reporting for themselves at zero cash cost #cabinet

29-Oct-09 09:10 | willperrin

What journalism will the market not support? #cabinet

29-Oct-09 09:12 | joannageary

Truest value of membership is a feeling of ownership. #cabinet

29-Oct-09 09:12 | joannageary

#cabinet citizen sales one means of supporting hyperlocal blogs serving populations of about 50,000 [that ain't local to me!]

29-Oct-09 09:12 | podnosh

RT @willperrin: volunteering vital to future models, though hard to cash quantify - is 'membership' or co-opan answer? #cabinet

29-Oct-09 09:13 | willperrin

government transparency is a vital intervention to support future models of journalism #cabinet

29-Oct-09 09:16 | willperrin

#cabinet government transparency is an important potential intervention

29-Oct-09 09:16 | podnosh

Government transparency is an "intervention" in favour of journalism #cabinet [as if we needed another reason...]

29-Oct-09 09:17 | bounder

#cabinet information entrepreneurs put up tender shoots - which if tampered with by government can be harmed.

29-Oct-09 09:17 | podnosh

Can the government create better conditions for hyperlocal news? Universal broadband (inc WiFi) and research/development for all. #cabinet

29-Oct-09 09:18 | hrwaldram

#cabinet universal broadband is positive government intervention. BBC could become a platform which also channels other content

29-Oct-09 09:18 | podnosh

"The effect of the BBC on the news market is the one thing that can bring The Guardian and News Corp together." #cabinet

29-Oct-09 09:18 | joannageary

bbc can support quality journalism through linkage and curation of the best off its platform #cabinet

29-Oct-09 09:19 | willperrin

All news org need to operate as platforms, including the BBC #cabinet

29-Oct-09 09:19 | joannageary

can an x-prize for journalism, if well defined incentivise innovation in future models of reporting #cabinet

29-Oct-09 09:20 | willperrin

We have to change our view of engagement with community, and who our advertisers are and business efficiency through volunteerism. #cabinet

29-Oct-09 09:22 | hrwaldram

fro interesting #hyperlocal stuff this morning UK time follow #cabinet meeting at dept culture

29-Oct-09 09:22 | willperrin

we need public transparency first to partly replace systemic reporting of courts councils etc #cabinet

29-Oct-09 09:22 | podnosh

how about the BBC becoming youtube of content? deliver ads over local journalist content #cabinet

29-Oct-09 09:22 | FirstConversion

Grrr how did I not know about #cabinet?!

29-Oct-09 09:24 | philipjohn

transparency should become default of government - civil servant should have to ask permission not to release something #cabinet #foia

29-Oct-09 09:24 | willperrin

'Want to see gov transparency become the default position. Scrap the FOI as that assumes the opposite' #cabinet

29-Oct-09 09:25 | foodiesarah

Can we rely on volunteerism for reporting civic justice and public affairs? Traditional newspapers rely on interns and workies too. #cabinet

29-Oct-09 09:26 | hrwaldram

telegraph expenses work relied heavily on a room full of interns - a form of volunteerism not romantic investigativism #cabinet

29-Oct-09 09:27 | willperrin

there will be a net decline in advertising as companies spend the money on creating direct relationships with customers #cabinet

29-Oct-09 09:27 | podnosh

uk has a lot less local politics and local bcast adv than the usa which alters perception of the jarvis cluny model #cabinet

29-Oct-09 09:28 | willperrin

@podnosh TV licence payers fund it, so why charge again? Not sharing w/nfp orgs as well as commercials (re radio council)= not cool #cabinet

29-Oct-09 09:29 | hadleypaul

@ThePickards can you tag that #cabinet please .

29-Oct-09 09:29 | podnosh

but #hyperlocal in the uk can tap hitherto unaccessed markets for local advertising #cabinet

29-Oct-09 09:29 | willperrin

@podnosh Surely net INCREASE in advertising as companies better target customers via direct relationships #cabinet

29-Oct-09 09:30 | FirstConversion

True? RT @willperrin: telegraph expenses work relied heavily on room full of interns = volunteerism not romantic investigativism #cabinet

29-Oct-09 09:37 | scipmark

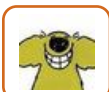

RT @willperrin: public service broadcasters can do a lot of soft things to help #hyperlocal inc basic training, desks, legal etc #cabinet

29-Oct-09 09:38 | willperrin

where is the uk's knight news challenge or xprize for innovation in journalism and reporting knight available to uk #cabinet

29-Oct-09 09:39 | willperrin

Be careful what you're wishing for at #cabinet - removing FOI and imposing assumed transparency works in theory, but could be v vague

29-Oct-09 09:39 | davidhiggerson

@joannageary When I think of a platform I think of trains #cabinet

29-Oct-09 09:39 | Jo_Ind

teach business to journalists. #cabinet

29-Oct-09 09:39 | podnosh

We should be teaching business to journalists. #cabinet <--- I couldn't agree more!

29-Oct-09 09:40 | joannageary

@podnosh no! or people will keep stuff secret - FOI can minimise requests by having publication scheme- encourgaing publication #cabinet

29-Oct-09 09:40 | ThePickards

important to teach entrepreneurialism and basic business skills with journalism to students #cabinet

29-Oct-09 09:40 | willperrin

RT @willperrin: important to teach entrepreneurialism and basic business skills with journalism to students #cabinet BCU do this already FTW

29-Oct-09 09:42 | hadleypaul

We need a seedcamp for hyperlocal news businesses. #cabinet

29-Oct-09 09:42 | joannageary

news groups shedding staff should invest in them to create their own hyperlocal and other sites and then trade with them #cabinet

29-Oct-09 09:43 | willperrin

RT @willperrin: but #hyperlocal in the uk can tap hitherto unaccessed markets for local advertising #cabinet > Really, any ideas?

29-Oct-09 09:43 | warrenfree

I'm suprised #cabinet isn't trending the amount of tweets that @joannageary and @podnosh are putting out this morn. Good job guys

29-Oct-09 09:43 | peteblakemore

RT @willperrin: transparency should become default of government - should have to ask permission not to release something #cabinet #foia

29-Oct-09 09:44 | ingridk

#cabinet sounds very interesting - is there any easy way of finding out what it is/where it is etc?

29-Oct-09 09:48 | Jo_Ind

Think I need to go on some of @jeffjarvis's business courses... #cabinet

29-Oct-09 09:48 | joannageary

29-Oct-09 10:50 | journotutor

@JoshHalliday I am a "Community Publisher" #cabinet

29-Oct-09 10:52 | Alisonbattisby

UK Government increasingly having demands placed on it to engage more effectively with citizens. #cabinet

29-Oct-09 10:55 | joannageary

follow #cabinet for journalism, new media, hyperlocal discussion today

29-Oct-09 11:05 | DJSoup

@joannageary surely the vanity of journalists would put blame on a fall in advertising rather than bad journalism? #cabinet

29-Oct-09 11:08 | steve_nicholls

The UK's Libel law needs to be addressed before people feel happy about publishing online and encourage #hyperlocal. #cabinet

29-Oct-09 11:08 | hrwaldram

70% of towns in uk <40k population have no form of dedicated local media coverage #cabinet

29-Oct-09 11:10 | willperrin

Cardiff Council free newspaper reportedly biased! <http://bit.ly/1wZCq5> this is why we need #hyperlocal #cabinet

29-Oct-09 11:11 | TalkAboutLocal

@hrwaldram or don't they just need an easy way to find out the law? it's easy to stay out of trouble when you know the basic rules #cabinet

29-Oct-09 11:11 | AdamWestbrook

local people sites want to engage with others as platform #cabinet

29-Oct-09 11:13 | willperrin

@AdamWestbrook Then part of hyperlocal start-ups is to make contributors aware of the law and give them legal advice and stability #cabinet

29-Oct-09 11:14 | hrwaldram

RT @steve_nicholls: @joannageary surely vanity of journalists would put blame on a fall in advertising rather than bad journalism? #cabinet

29-Oct-09 11:14 | willperrin

RT @TalkAboutLocal: Cardiff Council free newspaper reportedly biased! <http://bit.ly/1wZCq5> this is why we need #hyperlocal #cabinet

29-Oct-09 11:16 | willperrin

@hrwaldram deffo-or does all content get 'subbed' by "editor" "community publisher" etc before going online? Can get legalised then? #cabinet

29-Oct-09 11:17 | AdamWestbrook

RT @DJSoup: follow #cabinet for journalism, new media, hyperlocal discussion today

29-Oct-09 11:18 | philipjohn

@steve_nicholls Yes, or poor management. #cabinet

29-Oct-09 11:19 | joannageary

Think #hyperlocal should also be about communities having a go! Not deterred by bureaucracy! It is our local! #cabinet

29-Oct-09 11:20 | RayDuff

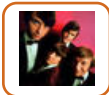

is a future for newspapers a mutualised model where readers, members, customers help to produce and run it #cabinet

29-Oct-09 11:21 | willperrin

freeing up postcodes would reduce cost and therefore increase quantity of all localised postcode based information #cabinet

29-Oct-09 11:30 | willperrin

@willperrin RT guardian sites in leeds edin cardiff to work with MySociety tools; local editor work w local 'networks' - not silos? #cabinet

29-Oct-09 11:31 | MrRickWaghorn

facebook about 20million users in the uk about half log on every day and spend abt 20 mins on site. strewth #cabinet

29-Oct-09 11:32 | willperrin

can facebook identity bring some sanity and calm to comment threads by bring real world id to the table #cabinet

29-Oct-09 11:32 | willperrin

RT @willperrin: facebook about 20million users in the uk about half log on every day and spend abt 20 mins on site. strewth #cabinet

29-Oct-09 11:33 | journotutor

#cabinet social network sites can function like a festival environment for potential local news creators

29-Oct-09 11:33 | podnosh

freeing up postcodes... increase localised postcode based information.. which you then build digital ad campaigns around @addiPLY #cabinet

29-Oct-09 11:33 | MrRickWaghorn

facebook id vastly improves comments on groundreport and has a marketing effect as comments spread through profiles #cabinet

29-Oct-09 11:34 | willperrin

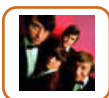

RT @podnosh: #cabinet social network sites can function like a festival environment for potential local news creators

29-Oct-09 11:35 | annettenaudin

RT @willperrin: can facebook identity bring some sanity and calm to comment threads by bring real world id to the table #cabinet - big issue

29-Oct-09 11:35 | perval

So #cabinet if I know the medical make-up of MyLocalWriter.com/NR2 give me the Gov't messaging to match that postcode deliver me digital ads

29-Oct-09 11:38 | MrRickWaghorn

pseudonyms though are important for tackling harder issues eg violent crime as is distance of a professional news organisation #cabinet
