

# #geocom

## Where2.0Now (full)

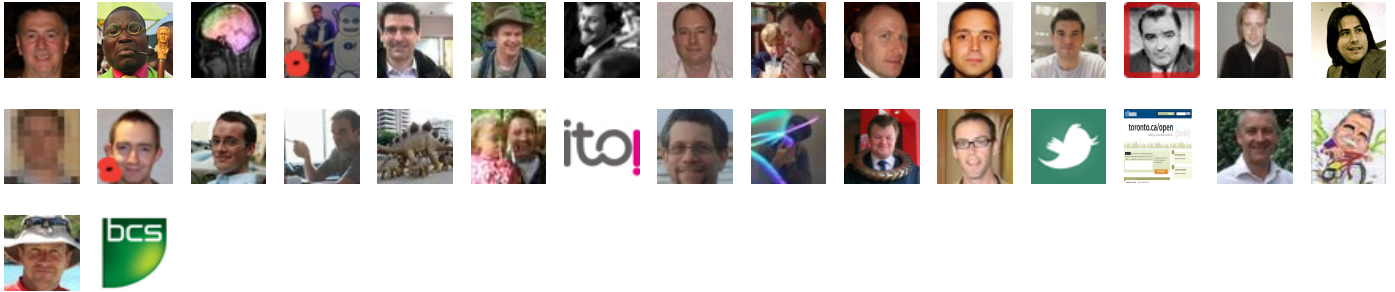

AGI Northern ran a 1 day GeoCommunity event in Harrogate with a great line up.

Plaudits to @rollohome for organising

## Trending Words

-, rt, good, @osbornec, @mcknut, now, it's, great, thanks, out, very, @vicchi, @stevenfeldman, really, up

## Event Participants

beer and red wine - good night #geocom

10-Nov-09 00:07 | StevenFeldman

Getting ready for #geocom. Hampered by cleaning up the entrails of some unidentifiable creature my cat decided to kill #badkitty

10-Nov-09 07:28 | AntArch

On the train to Where2.0Now #geocom. So much nicer than driving.

10-Nov-09 07:48 | jeremy\_morley

my train gets in to harrogate c. 9am. Anyone want to share a taxi #geocom

10-Nov-09 07:52 | AntArch

@AntArch I don't get into Harrogate till 9:18 - depends how long you want to wait! #geocom

10-Nov-09 08:00 | jeremy\_morley

Checked out of my hotel in Harrogate and heading for the AGI Northern Group's Where 2.0 Now? #geocom

10-Nov-09 08:06 | vicchi

You dont know NR like I know NR. Timetable does not corelate with reality. See you at 9:18 WLTM man 4 #geocom & fun. Me mostly muted colours

10-Nov-09 08:08 | AntArch

Today I'm talking on 'Know Your Place; Geo without Maps' at Where 2.0 Now? in Harrogate as part of the morning's Context session. #geocom

10-Nov-09 08:36 | vicchi

@AntArch Waiting to go from York on Northern Lines train. WLTM geobloke for a ride to #geocom joy. Me, green macintosh (coat!).

10-Nov-09 08:45 | jeremy\_morley

On the Leeds to Harrogate train to #geocom. Absolutely stunning scenery. Remind me again why we didn't move here

10-Nov-09 08:56 | AntArch

Sipping coffee, scoffing croissants and catching up with geo folk at #geocom

10-Nov-09 09:05 | vicchi

Good morning #geocom. Look fwd to your backchannel today. Now off to hear from our MD how many puppies we have killed this year. @mpdaly

10-Nov-09 09:12 | Thierry\_G

Watching @rollohome opening the proceedings for today's Where 2.0 Now? #geocom

10-Nov-09 09:33 | vicchi

#geocom kicks off - we are sitting on charity sponsored chairs so give generously

10-Nov-09 09:36 | StevenFeldman

Prof Henk Sholten talking about "unshaved and unmannered" neo-neo-neo-geographers at #geocom

10-Nov-09 09:40 | vicchi

Professor Henk Scholten of Geodan says as Geographers we are not interested in just discussing data #geocom

10-Nov-09 09:54 | johnbfagan

Is there wifi at #geocom?

10-Nov-09 10:04 | AntArch

Very funny opening to #geocom with lots of movies but I am not sure what the message is?

10-Nov-09 10:07 | StevenFeldman

Now @vicchi is up at #geocom with a hard act to follow

10-Nov-09 10:09 | StevenFeldman

We are reaching a geocritical mass says @vicchi at #geocom but computers don't understand colloquial geography

10-Nov-09 10:14 | StevenFeldman

RT @vicchi: Prof Henk Scholten talking about "unshaved and unmannered" neo-neo-neo-geographers at #geocom

10-Nov-09 10:16 | Thierry\_G

@vicchi Only guessing at your presentation but is the very idea of a Where-On-Earth \*ID\* too structured for the colloquial web? #geocom

10-Nov-09 10:23 | Thierry\_G

#geocom fire eagle nothing to do with setting birds on fire says @vicchi - there has to be an inappropriate euphemism here

10-Nov-09 10:28 | StevenFeldman

Gary Gale of Yahoo! Taking us through the webvolution from web 1.0 to web x #geocom

10-Nov-09 10:29 | johnbfagan

Geobeers tonight at #geocom thx to @geovation

10-Nov-09 10:31 | StevenFeldman

#geocom @timwarr compares geoweb to the impact of Gutenberg

10-Nov-09 10:32 | StevenFeldman

Survived my talk at #geocom with some good backchannel commentary. The deck will be on SlideShare once I get some bandwidth.

10-Nov-09 10:32 | vicchi

Dearth of bullet points at #geocom Zen presentations rule

10-Nov-09 10:33 | StevenFeldman

TimWarr suggests neo's have forgotten the GIGO mantra @ #geocom

10-Nov-09 10:35 | rollohome

@StevenFeldman I really really hope that @timwarr has not said that the Geoweb has had the same impact as Gutenberg. Please. #geocom

10-Nov-09 10:35 | mpdaly

Tim Warr of Axon Active says it's not just about putting things on a map, bring back old school GIS analysis #geocom

10-Nov-09 10:43 | johnbfagan

anybody at #geocom got MacBook to projector hookup cably thing?

10-Nov-09 10:51 | osbornec

John Snow again... There certainly is a lot of myth about the guy. #geocom

10-Nov-09 11:24 | jeremy\_morley

@osbornec Both myself and @mcknut have them #geocom

10-Nov-09 11:26 | vicchi

@mpdaly He did. #geocom

10-Nov-09 11:26 | vicchi

@osbornec loads of maccys with thingys here at #geocom

10-Nov-09 11:27 | StevenFeldman

Watching @harry\_wood talking about OpenStreetMap and open free geodata at #geocom

10-Nov-09 11:27 | vicchi

@Thierry\_G Absolutely not IMHO ... the key is the sematic tech that recognises colloquial geographies not how we represent them #geocom

10-Nov-09 11:29 | vicchi

The Berlin Zoo is mapped down to enclosure level in OSM "that's the level of obsession we tap into" says @harry\_wood at #geocom

10-Nov-09 11:30 | vicchi

Tough job for @harry\_wood to promote cloudmade today at #geocom but he is doing a sterling job

10-Nov-09 11:33 | StevenFeldman

@StevenFeldman The footer of ygeoblog.com does say "No WOEIDs were harmed, no Eagles were combusted in the making of this blog" #geocom

10-Nov-09 11:34 | vicchi

#geocom if somebody could please send me the address of conference that would be good

10-Nov-09 11:34 | osbornec

I wonder if @harry\_wood realises that he's actually describing the Open Location ethos in his #geocom talk; see <http://bit.ly/IXr66>

10-Nov-09 11:36 | vicchi

@osbornec GeoPlan offices, Bilton Court, Wetherby Road, Harrogate, HG3 1GP #geocom

10-Nov-09 11:37 | vicchi

Why does open source matter? Disruption at #geocom

10-Nov-09 11:38 | StevenFeldman

Open source is not a cancer or communism - another greta quote at #geocom

10-Nov-09 11:42 | StevenFeldman

"open source is not cancer and it's not communism" - Jo Cook has some classic soundbites at #geocom

10-Nov-09 11:42 | vicchi

Good example of GvSIG for Mobile platforms by @archaeogeek at #geocom

10-Nov-09 11:45 | AntArch

RT @vicchi: "If only I could find the price of cat food along my bus route and correlate it with pension day" #grannymashups #geocom

10-Nov-09 11:46 | aden\_76

Ahh so IM on a map is really cool but email on a map isn't? Oh of course its cool if it is done on open source. Me confused at #geocom

10-Nov-09 11:47 | StevenFeldman

Comies R here! RT @vicchi "open source is not cancer and it's not communism" - Jo Cook has some classic soundbites at #geocom

10-Nov-09 11:48 | RedScareBot

Duck and Cover! RT @StevenFeldman Open source is not a cancer or communism - another greta quote at #geocom

10-Nov-09 11:48 | RedScareBot

MapChat looks like an interesting tool. @archaeogeek #geocom

10-Nov-09 11:48 | jeremy\_morley

"my laptop has stage fright and won't see the projector" - another classic Jo (@archaeogeek) quote at #geocom

10-Nov-09 11:49 | vicchi

I like the idea behind Map Chat -need to think about how it might benefit an organisation? #geocom

10-Nov-09 11:49 | stumitch

@StevenFeldman Is #geocom confusing awesomeness with usefulness?

10-Nov-09 11:49 | Thierry\_G

And naturally Jo has her deck released on CCA-SA license #geocom

10-Nov-09 11:50 | vicchi

Best quotes of the day so far from @archaeogeek at #geocom

10-Nov-09 11:50 | StevenFeldman

A nervous @mcknut admits his deck is on software he's not used before and may fail horribly #geocom

10-Nov-09 11:52 | vicchi

@Thierry\_G It is a good question but disruptive <> useful? #geocom

10-Nov-09 11:52 | jeremy\_morley

@stumitch: A similar app to mapchat was used for planning enquiry/public responses (particularly in 3d env where view dir. is imp.) #geocom

10-Nov-09 11:59 | AntArch

RT @vicchi: "open source is not cancer and it's not communism" - Jo Cook has some classic soundbites at #geocom

10-Nov-09 12:00 | ccossio

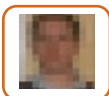

@mcknut demonstrating the benefit of have a ubiquitous geolife on-line #geocom

10-Nov-09 12:01 | AntArch

@stumitch: The project was called VEPS. EU project with manchester university involvement #geocom

10-Nov-09 12:01 | AntArch

#geocom sounds approx 1,000 times more interesting than TechEd #tee09  
#conferences\_i\_am\_not\_attending\_today

10-Nov-09 12:02 | boilerwadding

Harry Potter is @mcknut at #geocom Geekiness reaches new heights tracking all sorts of stuff - peoples, containers, where John has been ...

10-Nov-09 12:03 | StevenFeldman

"I'm going to finish up with a little bit of stats porn" @mcknut finishes off his talk at #geocom

10-Nov-09 12:03 | vicchi

@AntArch Interesting - could be good for an informal command and control #geocom

10-Nov-09 12:04 | stumitch

#geocom @mcknut has travelled half a light second in the last year. Go figure?

10-Nov-09 12:04 | StevenFeldman

Good use of prezis at #geocom Will need to check out with @mcknut if it was a joy

10-Nov-09 12:06 | AntArch

RT @AntArch:@mcknut demonstrating the benefit of have a ubiquitous geolife on-line #geocom -- "ubiquitous geolife" - love it!

10-Nov-09 12:07 | mcknut

@StevenFeldman @mcknut needs to check his sums <http://bit.ly/4a4c5F> #geocom

10-Nov-09 12:08 | mpdaly

#geocom Stop silo-ing the geocommunity! They both bring different things. The philosophical change is paramount

10-Nov-09 12:11 | AntArch

#muststopbeingamiserablepedant #geocom

10-Nov-09 12:11 | mpdaly

in comparison to google, yahoo and OSM (in particular), OS openspace looks pants #geocom

10-Nov-09 12:13 | AntArch

Can't argue with that RT @mpdaly:#muststopbeingamiserablepedant #geocom

10-Nov-09 12:18 | StevenFeldman

@AntArch Fair comment but it's still a massive leap for the OS. Early days. #geocom

10-Nov-09 12:19 | vicchi

@mpdaly eh? I said just under 150,000km was just under .5 light seconds, over 2.5 years tho #geocom

10-Nov-09 12:20 | mcknut

@mcknut In which case you need to shoot the messenger instead: <http://bit.ly/4GBkFd> #geocom

10-Nov-09 12:22 | mpdaly

Interesting. Credence versus crowdsourcing. An interesting research topic on the philosophy of validity #geocom

10-Nov-09 12:22 | AntArch

Predictable OS joshing at #geocom; yes it's a styler and a static maps API but it's 100% more than was available last year. Progress.

10-Nov-09 12:25 | vicchi

Tim Martin shows you should never work with children, animals or live demos at #geocom

10-Nov-09 12:25 | vicchi

Tim Martin was right - don't try to do a live demo in a presentation - though when it works it is quite cool #geocom

10-Nov-09 12:26 | StevenFeldman

Thanks to #geocom I can have my morning fill of geo-geekery along with my coffee #easternstandardtribe

10-Nov-09 12:29 | ajturner

@vicchi If you're wanting to use OS data or services then these OpenSpace developments are useful. #geocom

10-Nov-09 12:30 | jeremy\_morley

#geocom sounds very different to #nav09. e-navigation of shipping. T

10-Nov-09 12:30 | petelanc

Q. Why are we doing this? A. Build it and they will come. A. You will rely on this in the future (emergency response) #geocom

10-Nov-09 12:34 | AntArch

#geocom mindmap updated at <http://bit.ly/2HhzDN>

10-Nov-09 12:38 | AntArch

quite glad #geocom attendees can't think of uses for location tracking, less competition for me! assure you I saved best ideas for myself ;)

10-Nov-09 12:53 | mcknut

RT @sgillies: Gutenberg I'm really happy for you and ima let you finish, but the GeoWeb is the hugest leap in info publishing ever. #geocom

10-Nov-09 12:56 | mpdaly

Good geolunch and now we have @osbornec cracking jokes about being a traditional geographer and getting lost coming to #geocom

10-Nov-09 14:05 | StevenFeldman

Some may RT @Thierry\_G: Is #geocom confusing awesomeness with usefulness?

10-Nov-09 14:06 | StevenFeldman

Many thanks, interesting. RT @AntArch: @Thierry\_G summary available on my mindmap <http://bit.ly/2HhzDN> #geocom

10-Nov-09 14:08 | Thierry\_G

That' only the 2nd iPhone pic in the decks today #geocom

10-Nov-09 14:10 | StevenFeldman

Apparently google have @osbornec DNA. What interface did they use? #geocom

10-Nov-09 14:11 | AntArch

Apparently someone has @osbornec's DNA at #geocom Don't ask!

10-Nov-09 14:11 | StevenFeldman

Strange @osbornec arrives at #geocom and soon after @fakevanessa makes an entrance on the back channel. Was she following him?

10-Nov-09 14:13 | StevenFeldman

RT @mcknut:quite glad #geocom attendees can't think of uses for location tracking, less competition for me! I saved best ideas for myself;)

10-Nov-09 14:15 | StevenFeldman

@osbornec talks to a huge amount of bus spotters and train spotters #geocom

10-Nov-09 14:16 | johnbfagan

Some cool visualisations of traffic data by @itoworld at #geocom Get excited and make things! #opendata

10-Nov-09 14:22 | StevenFeldman

@osbornec really effective use of fence diagrams for visualizing different geodata #geocom

10-Nov-09 14:22 | AntArch

Would be good to see as an interactive tool though RT @AntArch: @osbornec effective use of fence diagrams for vis different geodata #geocom

10-Nov-09 14:24 | jeremy\_morley

How refreshing to see some bullets flying at the audience with audio-repeats #geocom

10-Nov-09 14:25 | StevenFeldman

Just had my geowrist slapped by @osbornec for being too crabby. He can talk! #geocom

10-Nov-09 14:27 | StevenFeldman

RT @StevenFeldman: Just had my geowrist slapped by @osbornec for being too crabby. He can talk! #geocom <- alright, alright, point taken

10-Nov-09 14:30 | osbornec

Don't leave your grandparents at home alone for 3 months while you go to the south of france #geocom

10-Nov-09 14:38 | StevenFeldman

"Build it and they will come" didnt work. Is that because the solution wasn't required or that there was no access to the data #geocom

10-Nov-09 14:39 | AntArch

www.hnm.org.uk launches 17/11 from Joseph Rowntree Foundation maps housing & neighbourhoods - looks good #geocom

10-Nov-09 14:41 | StevenFeldman

70% of households have internet access but educational demographics show least qualified have least access #geocom

10-Nov-09 14:43 | StevenFeldman

@AntArch Could be cos they built it and forgot to tell anyone? #geocom

10-Nov-09 14:45 | StevenFeldman

RT @StevenFeldman: Some cool visualisations of traffic data by @itoworld at #geocom Get excited and make things! #opendata

10-Nov-09 14:49 | itoworld

Vermeer has become the archetypical paleogeographer - now appeared 3 times today. Goodbye Isaac Newton - take note @iapainter #geocom

10-Nov-09 14:50 | StevenFeldman

#geocom Your tweets on @itoworld traffic visualisations make me think of fantastic BBC series Britain From Above.

10-Nov-09 14:51 | Thierry\_G

"Crowdsourcing is not about outsourcing your work, its about enabling your users to get involved and do things" @tim\_waters at #geocom

10-Nov-09 14:51 | osbornec

Lovely old (very old) maps from @tim\_waters combined with witty commentary. #geocom

10-Nov-09 14:52 | StevenFeldman

cool live demo of NY Public Library Scanned and geo referenced map archive <http://bit.ly/2CmSPf> #geocom by @tim\_waters

10-Nov-09 14:54 | AntArch

this demo is awesome from @tim\_waters georeferencing and overlaying historic maps over #osm and then digitise #geocom

10-Nov-09 14:57 | StevenFeldman

Go have a look at this stuff from @tim\_waters at #geocom NYPL Map Rectifier: Home <http://bit.ly/3Bn1Vt>

10-Nov-09 15:00 | StevenFeldman

#geocom @StevenFeldman Historic maps? Digitise? @fakevanessa will love this. We need to kill a few puppies.

10-Nov-09 15:02 | Thierry\_G

Wow! @tim\_waters just rocked some 3D digital globes of historical maps. <http://bit.ly/20K0BJ> #geocom

10-Nov-09 15:03 | itoworld

update to #geocom mindmap. Remember to clear your cache <http://bit.ly/2HhzDN>

10-Nov-09 15:18 | AntArch

A very good talk on the challenges of thematic mapping and analysis on the web from @johnbfagan #geocom

10-Nov-09 15:18 | StevenFeldman

Pheewww, finished my preso at Where2.0Now conference, was quite nerves, but I think it went ok #geocom

10-Nov-09 15:20 | johnbfagan

RT @edparsons: Great presentation by John Fagan at #geocom, stan openshaw would be proud, everybody needs to understand the MAUP!

10-Nov-09 15:21 | johnbfagan

RT @StevenFeldman: A very good talk on the challenges of thematic mapping and analysis on the web from @johnbfagan #geocom

10-Nov-09 15:22 | johnbfagan

@johnbfagan really good stuff mate - I enjoyed even if I didn't know what a MAUP was #geocom

10-Nov-09 15:24 | StevenFeldman

Wow! MAUP at #geocom! Well done @johnbfagan. BTW Openshaw CATMOG booklet is available at <http://bit.ly/3cqRSu>

10-Nov-09 15:32 | mhaklay

Chris Parker says @geovation makes no claim to the IP in your ideas and then says it again just to be sure at #geocom

10-Nov-09 15:54 | StevenFeldman

@vicchi see! We told you that there was electricity up North. Thanks for your #geocom input. Top rated as always. Cheers..

10-Nov-09 15:56 | rollohome

Most people don't speak javascript or GI - nor should they! #geocom

10-Nov-09 15:59 | StevenFeldman

@StevenFeldman as @osbornec had to head off I'll be the one to point out they'll still claim derived data! #geocom

10-Nov-09 15:59 | mcknut

Matching geogeeky skills with community needs = @geovation #geocom Open to all for the benefit of all Sounds good to me but then I am biased

10-Nov-09 16:01 | StevenFeldman

Go on #geocom sign up for @geovation awards at <http://bit.ly/4Brs88>

10-Nov-09 16:03 | StevenFeldman

@mcknut @osbornec No DD if you use bing or #osm and I have a hunch DD will be even less of a problem in the future #geocom

10-Nov-09 16:05 | StevenFeldman

Rough picture of me in my hulk t-shirt in Chris' @geovation presentation #geocom

10-Nov-09 16:09 | StevenFeldman

@GrahamHyde ask @jeremy\_morley he is the Doctor #geocom

10-Nov-09 16:28 | StevenFeldman

OCL vs SQIRL I am lost now #geocom

10-Nov-09 16:30 | StevenFeldman

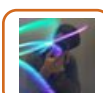

@simonredding me quoting presenter at #geocom

10-Nov-09 16:31 | StevenFeldman

@Thierry\_G watch out the crowd may be eating your lunch very soon #geocom

10-Nov-09 16:32 | StevenFeldman

Dangit I've been using the wrong hash tag all day!!!! #geocom

10-Nov-09 16:34 | mohsin

What have squirrels got to do with anything? RT @StevenFeldman: OCL vs SQIRL I am lost now #geocom

10-Nov-09 16:35 | GrahamHyde

"Its not about maps its about managing gazillions of electronic content" Me paraphrasing mike sanderson #geocom

10-Nov-09 16:35 | StevenFeldman

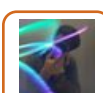

The grand daddy of all things geo now on @edparsons wrestling with mac => projector challenge #geocom

10-Nov-09 16:37 | StevenFeldman

Lessons from the blind mapmaker #geocom

10-Nov-09 16:37 | StevenFeldman

Listening to the final talk of the day, by @edparsons at #geocom

10-Nov-09 16:38 | mohsin

Why are Google interested in geographic information? "because its important & valuable" says @edparsons #geocom

10-Nov-09 16:39 | StevenFeldman

geospatial is not geospecial, ed at #geocom

10-Nov-09 16:41 | tim\_waters

geospatial is not geospecial #geocom

10-Nov-09 16:41 | StevenFeldman

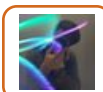

neo has done for geography what Time Team has done for archaeology :- ) #geocom Is Ed Parsons the new Phil Harding?

10-Nov-09 16:44 | AntArch

RT @AntArch @osbornec really effective use of fence diagrams for visualizing different geodata #geocom <- glad you liked @itoworld visuals

10-Nov-09 16:45 | osbornec

@edparsons Too true Mr.Parsons that train app on the iPhone is very good! #geocom

10-Nov-09 17:03 | mohsin

So confirmation that's what Street View was about - a better routing street display then old school sat nav #geocom

10-Nov-09 17:05 | stumitch

Geobeer time at #geocom

10-Nov-09 17:06 | AntArch

that's it final presentation finished #geocom time for tweets off and some geobeers

10-Nov-09 17:07 | StevenFeldman

Got my geo fix this morning following #geocom. Reviewing mind map from @AntArch: <http://bit.ly/2VLeNJ>.

10-Nov-09 17:34 | mstoddard

#geocom

10-Nov-09 17:38 | sanjay\_patel

Thanks Steven, I always enjoy a good challenge. RT @StevenFeldman: @Thierry\_G watch out the crowd may be eating your lunch very soon #geocom

10-Nov-09 17:40 | Thierry\_G

RT @AntArch: Apparently google have @osbornec DNA. What interface did they use? #geocom <- QOTD as far as I'm concerned

10-Nov-09 17:54 | osbornec

Love this ! RT @itoworld: Wow! @tim\_waters just rocked some 3D digital globes of historical maps. <http://bit.ly/20K0BJ> #geocom

10-Nov-09 19:19 | Open\_TO

@rollohome great job on AGI north. Lots of effort and well worth it. Big praise for your effort #geocom.

10-Nov-09 19:33 | Aluncj

Looking fwd to comparing my twitter notes on #geocom with account of 3 of my staff who physically attended. Virtual conferencing the future?

10-Nov-09 19:44 | Thierry\_G

@StevenFeldman a rule base for verifying #osm data would be absolutely fine #geocom

10-Nov-09 20:13 | mcknut

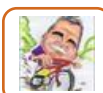

@mcknut so now we need to ask 1spatial to donate. Hmm I wonder ...? #osm #geocom

10-Nov-09 20:16 | StevenFeldman

#geocom was a brilliant day thanks to superb effort from @rollohome big big thanks due to him and Geoplan for providing a great venue

10-Nov-09 20:19 | StevenFeldman

Fantastic #geocom. Thanks to all involved, especially @rollohome

10-Nov-09 20:22 | Civil3DUK

Upcoming BCS Geospatial events from UKMap, ESRI and 1Spatial more info at <http://tinyurl.com/yfkxjk9> #geocom

10-Nov-09 21:47 | gssg

Long journey home from #geocom looks like further delays on east coast line #railfail but inbox <20 so some gain

10-Nov-09 22:05 | StevenFeldman

(home) had a great time in Harrogate for Where2.0Now, well done to @rollohome and all the volunteers for organising a great #geocom day

10-Nov-09 23:09 | mcknut

Had a great time at agi's where2now conference! Many thanks to all involved, met some really cool people! #geocom

10-Nov-09 23:13 | mohsin

Final speakers added to mindmap from #geocom at <http://bit.ly/2VLeNJ..> Unfortunately I ran out of battery and had to cobble things together

11-Nov-09 08:33 | AntArch

@mcknut It's alright for you ... I'm not even home yet. Hope the rest of #geocom went OK.

11-Nov-09 08:45 | vicchi
